

Porches

We have been holding meetings with BCC regarding the new porches. The work is set to commence on 25th November and will last for roughly 12 weeks. The gate at the front entrance will be moved up slightly towards the car park, so that children can still come in and out in the mornings and at the end of the day whilst not being too near the building site. The front of the Victorian building will remain out of bounds during the project. The builders will also move the boys' toilet door (permanently) in the Victorian building, so that it is accessible through the library rather than having to go through the porches to access. Again, a very exciting time and we look forward to the work getting underway!

Playground

We are thrilled to have our soft surfacing playground in place. We are awaiting the new lines for the playgrounds but we are very appreciative to Bucks County Council for enabling us to have a safer playground for our children.

Book Fair

Well done to our incredible Year 6 children, who worked so hard on the Book Fair at Parents Evening. They managed to make £480.35 from book sales, of which the school will earn some commission. Their marketing skills were second to none. Well done children!
