END OF SUMMER TERM

10 step was a fantastic success, children pushed themselves to reach new goals, and parent helpers were there to record their achievements.

Thank you to our volunteers for all your support

We have some dates for your diary!

- Wednesday 4th July- County Athletics at Par (Year 5)
- Tuesday 10th July- Sports Day

Menu change on 28th June

Parents evening booking now open.

What have your children been learning?

In Class 1 this week they have been writing adjectives to describe creatures. In Maths they have been naming and sorting 3D shapes. For their topic work they have been finding animal pictures on the laptops.

This week class 2 have completed their fan letters and written poems relating to any aspect of their topic so far. In Maths, they have all been learning about time; year 2's to 5 minutes and year 3s to 1 minute. This has proven time consuming! They have designed a cross stitch design ready to begin stitching for DT.

This week class 3 have been learning about the circulatory system. Years four and five have been planning an information leaflet to educate another child of similar age about the human body, using formal and technical language. Year six having been writing extended stories using extended sentences and exploring more adventurous vocabulary. In Math's years four and five have been looking at how they can make a target number using their math's skills, year six are starting to budget for their theme park project. In science they have all completed observation of their own pulse rates and identified the key elements of the circulatory system. In art they have completed observational drawings/sketches of parts of the human body, our display is looking amazing.

A BIG THANK YOU...

A really big thank you to Martin Brooks, Stuart Bowman- Harris, Jason Olivey, Dave Uglow, Steve Richardson, Roy Smith, Jon Balsdon, Chris Baker, Christian Webb, Mark Griffith and Alex Richardson for their support on Wednesday evening (they didn't leave until 10pm!) getting the train and boat back into situ. We would also like to thank all other parents and children that have supported the work on getting the boat back onto the school playgrounds and a big thank you to Simon Skerry for loaning his barn to us over the winter for the train to dry out.

It looks amazing and the children love it.
