This week Pre-School have been playing with sensory things like Playdoh and have been making bug fossils. They have also set up a bird table and have been being looking at different types of bird.

We are still waiting for several deposits and consent slips for this trip. Please could you get the consent slips to Miss Hicks by half term and arrange payment by either cash/cheque in the office or pay via ParentPay. If you have any concerns at all, please speak to Mr Ellis.

We know that several Year 3 and 4 pupils have been asking if they will be going to Dartmoor this year. We are pleased to say that we have booked the hostel for Wednesday 27th-Friday 29th June.

Further details will be sent out shortly.

Classroom build update

Thank you to all of you who sent in your thoughts and questions for the meeting that happened yesterday. The meeting went well and over the next 2 weeks we should have some clear key dates to share with you.

A date for your diary is Thursday 22nd February at 3.30pm. There will be an open meeting available for all parents and residents to attend to find out what is happening with the build, for Arcadis to be able to share plans with you and also key dates. It will be an opportunity for you to have some questions answered. We will be sending a letter out to the residents over the next week but please feel free to share the information about the meeting. Please let us know if you intend to attend. The meeting needs to be well represented in order to be viable. Please confirm to Miss Hicks by 9th February.

Club news

Mrs Harvey's Woodland School club is proving a hit. Children wrap up warm and enjoy activities in the environmental area. With her years of experience with cubs and scouts and her background in the military-children are very well organised!

Art Club with Mrs Provis is a creative classroom full of colour, excitement and originality. Her 20 years of experience as a busy Nursery Nurse certainly help here. The output is prolific and shows what a talented group of children we have.

Athletics with Mrs Sobey is an excellent example of the great sport we do at Warbstow and the commitment to physical activities. Children have the opportunity to explore a variety of different skill sets, which then enhance our potential to achieve great results in competitions.

Booster club is SO much fun for the Year 6's. They come each week, smiles on their faces, recapping on comparing fractions with different denominators, converting measures and many x - / + arithmetic skills! And much, much more of course.

Film Club remains a firm favourite with children (and parents!) Finding your seats in the dark and sitting behind somebody tall, are issues that we face as adults, but we learn to overcome with time.
