Monday 28thMay- 1st June- HALF TERM
Friday June 8th- COMMUNITY DAY

Class 1 have spent this afternoon in their new classroom. Thank you to all the parents and teachers that have given up their time to get the classroom ready with the furniture. They have had their passports checked and stamped. They all got through customs!

In class 2, Year 3's have been working on place value in Maths and Year 2's have been adding and subtracting two, 2-digit numbers. In English they have been learning about Queen Elizabeth II.

In Class 3 the year 6's have been working hard again towards their SATS.

Year 4, 5 and 6 have been working on a murder mystery in literacy. They had a surprise visit from Chief Detective A Brooks who identified a member of staff as a person of interest!(only joking!)

In science they have been looking at animals and humans. In Maths they have been problem solving using all their maths skills.

Classroom build update

WE ARE IN!!!!(sort of)

This week we have been handed the keys and partial occupancy has been granted by Building control. This means we are able to move the children into the new classrooms to teach however work around the building will continue into May. At present we have been told full handover is due at the end of May half term.

Class 1 children are to be dropped at the MAIN BUILDING on Monday morning please.

Dartmoor Parents meeting on Tuesday at 3.30

We will be having our whole school photos on Thursday 3rd May so make sure you've brushed your hair that day!

If you haven't yet paid for Gymnastics please can you do so ASAP. In order to provide this club we MUST receive payment from all attendees. You can do this online via ParentPay selecting the sport option(please remember to change the amount to £10) or in the office with Miss Hicks

Last week's question:

A brown house is made with brown bricks, a white house is made with white bricks. What is a green house made of?

Answer: Glass!!

This weeks question:

There is a man found dead in a circular mansion. The detective interviews the cook, maid, and babysitter. The cook said he couldn't have done it because he was preparing the meal. The maid said she couldn't have done it because she was dusting the corners. The babysitter said she couldn't because she was playing with the children. Who was lying?

Attendance

School year to date: 94.3%

This week has seen a decrease of 0.3%.

Days off school add up to lost learning

175 NON SCHOOL DAYS A YEAR

175 days to spend on family time, visits, holidays, shopping, household jobs and other appointments

Warbstow school were randomly selected to pilot a new SATS like exam this week. On Monday Year 2 students took part in a "testing the test".

Each child received a certificate and a pencil for their participation and hard work.

We as a school do not get to see the results or mark the papers. We just had the fun of sitting them!!

If you have not been receiving notifications on your app of messages please log out and back in. This should fix the problem. (it has with Miss Hicks')

Gardening Club

Gardening club would like to thank Louisa Bowden for her kind donation of seeds. They have been busy planting them.

Music Update

We have had several people ask about the possibility of an after school choir. This is something that Gemma and Serena will look at starting after half term.

Level 1 Bikeability

MAY 11TH

We are excited to be able to provide Bikeability level 1 training for our Year 4 Pupils. Please see book bags for the information and consent forms for Arena (who will be delivering the training). Children will need to provide their own bikes and helmets.

If you have any issues with this please speak to us.

After School Club

MON	ATHLETICS	YR 3-6	20	MRS PROVIS
TUES	RECYCLING & ECO CLUB (ECO SCHOOLS)	YR 1-Yr 4	20	MRS HARVEY
WEDS	ORIENTEERING	YR 3-6	20	JORDAN
	GYMNASTICS (£10 FOR THE TERM)	YR 1-6	20	MRS CHAPLIN
THURS	YEAR 6 BOOSTER	YEAR 6	8	MR ELLIS
FRI	FILM CLUB (50p per child for refreshments)	WHOLE SCHOOL	-	MR ELLIS

All clubs run from 3.20-4.20 with the exception of Film Club which finished promptly at 5.

New clubs have started for the summer term. Well done to the gymnastics club- a great turn out and good listening skills. Gymnast of the week this week goes to BEN NORTHCOTT. **WELL DONE BEN**

Orienteering was also successful, nobody got lost and as soon as we have the whole field, the in-depth map work can begin.

Eco club surveyed the school and found that we are "lacking" in some areas- Mr Ellis needs to turn his office light off and close down his laptop!! Signs have been placed around the school.

Athletics was held on the field and all of the members came back red faced and out of breath.

Well done to you all.

There are a few spaces left on each of the clubs- please let Miss Hicks know if you are interested.

Warbstow Wonders

To share our children's achievements we are going to publish the names of pupils receiving special certificates.

Child safety on YouTube: parent factsheet

What is the problem?

You may have seen news reports about inappropriate children's videos on YouTube. These are videos that, at first, appear to be for children, as they include cartoon characters such as Peppa Pig, or characters from Disney films such as Frozen. However, later on the videos become violent or disturbing. One, for example, shows Peppa Pig being tortured at the dentist. The videos can appear in YouTube search results when children look for genuine children's videos. YouTube says that such videos will be age-restricted *if they are reported by users*, so they cannot be viewed by anyone under 18. This factsheet explains how you can protect your child when they are using YouTube apps or the website.

What safety options are there on YouTube Kids?

The YouTube Kids app **automatically filters out inappropriate content**. However, YouTube explains that "no algorithm is perfect" and "your child might find content you don't want him or her to watch".

To help protect your child in YouTube Kids, you can set parental controls and change settings: tap the 'Lock' icon in the bottom corner of any page, enter your custom passcode and click 'Settings'. Here you can:

- Turn the search function off, so your child can only see recommended, curated videos under each category on the home screen: toggle 'Search' to off
- Set a timer to limit how much time your child spends on the app: select 'Timer' and use the slider bar or the plus and minus icons to set a time limit, then tap 'Start Timer'

You can also block videos or channels you don't want your child to watch:

- Tap the 3 dots ('more') at the top of the video, tap 'Block' and select 'Block this video' or 'Block this channel' to block the whole channel associated with the video
- Tap 'Block' again, then enter the numbers you see written on the screen, or your custom passcode

To report content to YouTube that you think is inappropriate, use the 'flagging function': tap the flag icon next to a video or comment and select your reason for flagging.

The app does have advertising, but YouTube says it restricts adverts that aren't child-friendly.

What safety options are there on YouTube?

Turn on 'restricted mode'

This hides videos that may contain inappropriate content. YouTube says that "no filter is 100% accurate, but it should help you avoid most inappropriate content". To do this:

- On the website: click on the icon in the top-right corner that represents your YouTube account; in the drop-down menu look for 'Restricted Mode'
- In the app: tap Settings, then 'Restricted Mode Filtering', and turn it on

Flag inappropriate videos

If you think a video or a comment on a video is inappropriate, you can use the 'flagging feature' to prompt YouTube staff to check it and decide whether to block or restrict it:

- Tap or click the flag icon next to a video or comment and select the reason for flagging

Flagged content is constantly reviewed to check for any violation of YouTube's Community Guidelines.

How else can I help ensure my child's safety online?

The tips below will help you to set rules for your child about accessing videos on the internet and their online behaviour, and support them to understand the risks and what to do if something happens.

- Try to have your child in the same room as you when they are using the internet, and discourage them from using headphones
- Chat to your child about what online videos might not be suitable for them to watch and share
- Regularly check the history of videos they have watched online for anything inappropriate, or create a playlist for them
- Encourage your child to tell you if they see something they find worrying or nasty
- If your child wants to share a video they have recorded, check they get permission from anyone who features in it before they upload it
- Tell your child not to give out any personal information or anything that can identify them, such as a school uniform or street name
- Regularly check comments made on your child's videos. Talk to your child about how they could receive nasty or negative comments from other people, and what they should do if this happens
- If another YouTube user posts a video of your child or shares personal information without consent, you can ask for this content to be removed by using YouTube's privacy complaint process
