Friday June 8th- COMMUNITY DAY
Thursday 14th June- Year 6 Bikeability
Thursday 14th June- Class 2 trip
Weds 18th July- Music Assembly
Tuesday 24th July-END OF SUMMER TERM

SATS for Year 2 Start on Monday

Class 1 Picnic on Thursday 24th May
Camp Kernow Weds 23rd-25th May. Please can
all final payments be made with Miss Hicks.

Class 1 this week in Maths, have been sharing into groups. They have also been looking at non-fiction text, and writing facts about Australian animals. Year 1 have been working in the woods using mud to create Aboriginal artwork. Everyone enjoyed listening to Arthur's Daddy play the didgeredoooooo! Year 3 went on a 'Fact hunt' to discover information to write a biography about Queen Victoria in English, and have been using a formal written method to solve multiplication in maths.

Year 2 have practised past SATs papers in preparation for next week (as well as history, geography, computing etc). They have worked so hard and we are really pleased with their achievements.

Class 3 have been researching explorers and their discoveries. They have been doing their own power point presentations and diary entries. Class 3 also received a music workshop from the Cornwall Music hub today, and had great fun learning a rap, and singing in rounds. In Maths they have been learning all about fractions.

Huge congrats to our Year 6 students who completed their SATS this week.

Check out their Power poses below. Well done to you all.

We have some dates for your diary!

- Thursday 21st June- 10 Step
- Tuesday 10th July- Sports Day

Due to poor uptake we will NO LONGER be entering the N C games at Bude on Tuesday 22nd May. Please collect your child from school at 3.20 or after Eco Club.

Last week's question:

What is the shape of the universe?
(clue- a famous brand of potato chips!)

Answer: Pringles. The universe is Pringle shaped!

This weeks question:

Can you name the 7 continents of the world.

Attendance

School year to date: 95.3%

This week has seen the figures stay the same

Days off school add up to lost learning

175 NON SCHOOL DAYS A YEAR

175 days to spend on family time, visits, holidays, shopping, household jobs and other appointments

With the new General Data Protection Regulation (GDPR) coming into effect on Thursday 25th May, we would like to inform you that we have updated our privacy notice. This document explains how we use and share information about your child, and can be viewed in full here:

FOWS CAKE SALE MONDAY 21ST MAY

FOWS will be holding a cake sale on Monday 21st May after school, to raise monies for the restoration of the boat and the train.

FOWS are seeking donations of cakes, buns and biscuits.

We apologise for the short notice but with sport events and camp next week it is the only day we are able to do it.

Children taking part in any after school clubs can bring their money into school in a named purse and they will have the chance to buy before their club starts.

The school boat and train are both “high and dry” and nearing the next phase of their rejuvenation! Many thanks to Stuart Bowman-Harris and Martin Brooks for their leadership in this matter.

We look forward to the playground equipment being returned.

Any support (i.e cake donations/fund raising/ participation) would be much appreciated as we do need to fund this project.

We have a target to hit!!

As was mentioned a few weeks ago we will be changing our uniform provider imminently. There is a small amount of stock left at the lower price, so if you would like any please see Miss Hicks in the office.

We mentioned that we have a new school coat that is available to buy for £19.99. It is the reversible storm-dry coat.

Thank you to our 2 models who are seen here sporting the new hooded coat.

We do have one in stock aged 9-10 for your child to try on or for you to see.

There are some size guides on their way to school so that you are able to measure your child before ordering. Here is a link to the online measuring guide [Measuring guide](#)

The Coats will not be kept in stock and therefore will need to be ordered in advance. Miss Hicks will be placing an order for coats on Friday 15th June. We hope that this means they will arrive before the end of the term.

If you would like a coat please could you arrange payment in the office or on ParentPay and send Miss Hicks a note of what size you would like ordering. Sizes available are from age 2-3 all the way up to age 13-14.

Garden Club is run every other Thursday lunch break (sometimes every week if I can fit it in!). It is limited to 6-8 children at a time and we try to rotate who comes each week so everyone who would like to help can have a go. It's not compulsory to come every week and we try to make it as fun as possible.

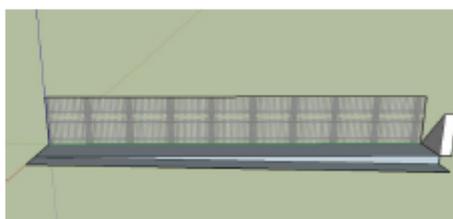

At Garden Club we aim to make the school as green and tidy as possible by weeding and planting existing and new areas. With the greenhouse and raised bed we are growing flowers and other plants from seed, some of which is for a "teachers' lunch" later in the summer. We are very keen on encouraging wildlife and will be planting the flowers around the school as well as make wildlife friendly areas.

CONGRATULATIONS

Garden Club has achieved Level 3 from the RHS School Gardening scheme! More to following on the exciting plant award we will be getting next term.

GARDEN CLUB PROJECT

A couple of weeks ago the children measured up the new flower bed in the front garden. As part of the club we will be designing and building a whole new area. The children decided it should be pretty to look at and encourage as much wildlife as possible. We will be designing the space with ideas and plants to suit the space. Ideas so far are: an apple tree; a small pond for frogs and birds to drink from; bee and Butterfly friendly plants.

As we can only have 6-8 children at club at a time we wondered if anyone else would like to help with this project and if interested could come up with ideas at home. We will decide a final design after half term.

Scale plans and a print out of the area are available from Katie Webb or Miss Hicks in the office.

CAN YOU HELP?

Yes please....there are lots of ways you can help

Do you have anytime that you can volunteer to help with club or to set up new projects. Perhaps you would like to do one off projects and help, maybe after school or at the weekend?

Would you like to volunteer to water plants in the holidays?

Would you have any plants or seeds you could donate?

Any old(ish) tools that you could donate?

If you would like to help please contact Katie Webb (07810 822090) or talk to Miss Hicks or Mr Ellis

Warbstow Wonders

To share our children's achievements we are going to publish the names of pupils receiving special certificates.

This week congratulations go to:
