party

All clubs are back to normal from next week with a change to Tuesday club. This will now be **rugby** instead of netball. If your child would like to sign up to rugby please email Miss Hicks via ESchools.

This week Class 1 had a fantastic time mixing the primary colours in squishy bags. In Maths, they have been measuring in CM, and in English they have been writing Autumn poems, and of course learning their letters of the week.

Year 2 have been creating their own version of the "Three Little Pigs". They have also started to learn about the purpose of paragraphs. In maths, they have been learning to subtract using the column method. They are now using Base 10 to calculate and check their answers. During the afternoons they have completed art using their mark making skills with a fine liner and created their own maps.

This week, Class 2 have started their new topic, "Where does our food go?" In science and English, they have considered the journey food takes, once it enters our mouth, and have begun writing a story to describe food's journey, whilst concentrating on writing high quality sentences.

In maths, they have started exploring ways to check and prove the answer by using and drawing Base 10 as well as using the formal column method. This will help them to develop their reasoning skills, and maths mastery. Many of them have found themselves down in the pit, or valley, on our Learning Lines as they meet this challenge and learn how to do this.

Class 3 have been investigating London 17th Century as part of their new topic "Fever, Fire and Fashion". The children have been looking at persuasive writing and taking an optimistic or pessimistic view. In maths, they have been working on multiplication and bar-modelling.

A reminder that next week is the second Cross Country meet at Wadebridge Secondary school. It starts at 3.30 and is finished by 4.30. **You will need to arrange transport to and from these events.**

New runners are able to sign- come on girls we only have 2!!

Attendance

School year to date 96.7%

This is a DECREASE OF 1.4%. Remember attendance has a direct impact on your children's learning, and their wellbeing at school. If they can be in get them in!

Birthdays

We all love birthday's, and what better way than to share some cake with your friends. Could we please remind parents that we are a nut free school due to having children with severe allergies. We are happy for birthday cakes to be brought into school or any healthy alternatives. Any children with allergies will not be given cake so if you would like your child to be able to enjoy a treat with the class please provide an alternative.

As a healthy school please could you not bring in sweets on birthdays for children.

If you would prefer your child to not eat any cake while in school, and we aren't already aware of their allergy please advise Miss Hicks or Mr Ellis.

We are again supporting the Royal British Legion, and are selling Poppies and poppy merchandise at reception.

Days off school add up to lost learning

175 NON SCHOOL DAYS A YEAR

175 days to spend on family time, visits, holidays, shopping, household jobs and other appointments

Stay safe on Bonfire Night

Never touch fireworks

Stand well back from the bonfire

Never go near a firework after it has been lit

Only one sparkler at a time

Wear gloves when holding a sparkler

Keep pets indoors

We have 2 groups for garden club, the Dandelions and the Daisies on rotation every other week.

This week we started collecting flowers and leaves for a flower press and put up new spotter boards which the children will add to at garden club.

Can we say a HUGE thank you for the large shrub donated by Dave and wrestled up to the school garden. We are sure the birds will love this new addition and it looks great.

Warbstow Wonders

To share our children's achievements we are going to publish the names of pupils receiving special certificates.
This week congratulations go to:

FOWS logo competition

Thank you for all your entries there were some great ideas, the winner chosen by Miss Hicks was Tom Brooks. £14 was raised for FOWS.

Bring and buy sale

9th November 2018

WANTED donations of toys, games, books, clothes, Dvds and bric-a-brac to be left in Community Hall porch

Donations of cakes for cake sale would be very much appreciated, if you have not been watching the latest Great British Bake off and baking isn't your thing! Shop bought cakes and biscuits are also welcome, may we please take this opportunity to remind you not to use nuts in your baking due to allergies within the school.

Please can you send your child/ren in with a few pennies as they will come over to the hall before parents and the local community so a named purse/wallet with a few pennies in will ensure they grab the bargains and can take part in our 50p games.

Parents welcome from 3pm

If you are able to help at the Bring and Buy sale please see Jayne Parsons

FOWS CHRISTMAS WILLOW WORKSHOP

Supporting FRIENDS OF WARBSTOW SCHOOL (FOWS)

Registered Charity Number 1097223

Sunday 16th December 2018

Warbstow Community Hall

Fancy having some fun and learning how to work with willow, making your own Christmas Wreath and/or Christmas Gifts to take home? All profits will be donated to FOWS.

Two demonstrations available –

WREATH MAKING

9am- 12pm and/or

STARS AND HEARTS

1pm - 5pm

£15 per person per session to include a full demonstration, all materials used and support throughout the session from Katie Webb.

(discount of £5 if staying for both sessions)

Booking is essential and places are limited, so please complete the slip below and return to Katie or FOWS member with full payment by 30th November 2018. This is to ensure you'll have a place and that the relevant materials can be prepared and ordered. If you have any questions please talk to Katie – 07810 822090

If you have been before you are very welcome to make either item at either session, please advise on booking

Please return this section, together with the full payment to Katie Webb / FOWS member or the school office.

I would like to attend the Christmas Willow Workshop on Sunday 16th December

School

A colorful graphic for the lottery launch. It features the text 'WE'VE LAUNCHED A LOTTERY' in large, bold, green, orange, and red letters. Below this is the text 'Buy Your Tickets Today To Help Our School' in black. The graphic is decorated with stars, a shooting star, and several lottery balls with numbers 2, 3, 4, and 7. A red rocket is also depicted. The background has a gradient from blue to orange to red.

**WE'VE
LAUNCHED
A LOTTERY**

**Buy Your Tickets Today
To Help Our School**

- Warbstow Primary School has launched a lottery!
- Tickets cost just £1 per ticket, per week and 40% of all ticket sales are donated to our school.
- A **GUARANTEED** cash prize to someone on our supporter list every week.
- A further chance of winning £25,000 in a separate draw **EVERY WEEK!**
- Draws are every Saturday at 8pm and results are posted online.
