Key Stage 1 Phonics Screening will be starting on Monday. This is a statutory assessment, and figures are published nationally with regards to children's attainment. We have been working in class preparing for these.

This week class 1 have started their new topic Animal Allsorts, sorting and classifying animals. In English they have been writing questions and in Maths they have been solving some very tricky problems. They had a great time in the woods making natural sculptures like the artist Andrew Goldsworthy.

Class 2 and 3 had a wonderful talk this week from Ben's Auntie Helen who works in Hollywood. She was telling the children all about the job she does with marketing films and that work started on the new "Top Gun" film last week!! She even knows Tom Cruise!! Thank you Mrs Northcott for sorting this out for the children.

Class 2 have been very excited this week as they started their new topic about Brazil. In English , they have been describing a carnival float, they would like to build, in great detail. This has been challenging! In Maths, Year 3's have been reading scales to the nearest 100,; and Year 2's have been describing position and reading scales on a thermometer. Thank you for all the topic related show and tell.

This term Class 3 will be learning all about the human body. They have been looking at basic anatomy of the human body, researching, chalking and sketching diagrams to show key organs. In Maths Year 4 and 5 have been problem solving using all four operations. In

English they have been learning the key features needed to write poetry and linked art with English to make a Tagxedo each. Year 6 have been completing a challenge to plan and design a theme park. They have also taken part in their first session of bikeability stage 2.

Attendance

School year to date: 95.2%

Attendance

Last week the school had a visit from the Education Welfare Office and discussed the schools attendance which is gradually decreasing. As a result of this there are some new attendance regulations that the school need to make you aware of.

If your child arrives in school between 9.00-9.05 am your child will receive an L code (late before registration closes)

If your child arrives after 9.05 am your child will receive a U (after registration has closed)

If your child's attendance drops below 90% you will be invited to a meeting with Mr Ellis. In addition to this those that fall below 90% attendance, we will ask you to provide evidence of a visit to the GP. This can be in the form of an appointment card or prescription and doesn't have to be a letter from the GP. (Once attendance is above 95% again this will not be required.)

Letters will be sent out to all parents whose children's attendance is below 95%.

You are able to check your child's attendance on the ESchools app which is updated every 24 hours. If you have lost your log in details, please contact Miss Hicks who will be able to re-print them for you.

This new procedure has been recommended by our Education Welfare Officer.

Thank you for your support and we value all your efforts to ensure your children come into school.

After School Clubs

Clubs remain the same as last half term for the majority. There will only be 3 sessions of gymnastics this term due to Mrs Chaplin being away. There are 2 spaces available for Gymnastics so please speak to Miss Hicks if your child is interested.

Instead of orienteering we will now be offering cricket club so please let Miss Hicks know ASAP if your child would like to play cricket,

Miss Hicks and Serena will be starting up a school choir this half term. This is open to anyone (Year 3 upwards) who enjoys singing. It will be a first come first served so please either send a note into the office or use Eschools to send in your permission. (If children that attend do not show an interest then parents will be advised)

Just a reminder that if you would like to order a new school coat ready for September please arrange payment of £19.99 by Friday 15th June when the order will be placed. Please note this item will not be kept in stock and will only be made once we have orders of 6 or more coats going forward.

A size guide has been sent home in book bags today. If you make payment on ParentPay please ensure you advise of the size required in the comments box. Alternatively please order in the office.

We will also be ordering some new book bags at a fee of £5.35 again please let Miss Hicks know by end of school on Thursday if you would like one.

The big prize draw is back. Please could we ask you to vote and share this link with family members for Warbstow to win £5000 of National Book Tokens. The winner also gets £100 worth of book tokens to spend on their selves. Please follow the link below to vote for us.

FRIENDS OF WARBSTOW SCHOOL

We will be having a non uniform day on Friday 22nd June with the theme "Sporting Giants" in exchange, we are asking for donations of a "sweet theme". So large bars of dairy milk or bag of haribo etc...this will be used for our "sweetie tombola" at this years Summer Fete. Please ensure that your contribution is handed into school on Friday morning to Miss Hicks and not left in book bags or packed lunches!!

Our Summer Fete will be held on Friday 20th July immediately after school. We've lots of activities planned for the children, the prices start at just 25p.

For the adults, there will be a chance to get involved with trying your luck at the tombola and of course, sit down and enjoy a cup of tea while the children are all enjoying themselves. All are welcome so please try and encourage family, friends, neighbours etc to come along and support our school.

We are aware of the lack of progress with the landscaping in regards to the new class 1 building, we are pursuing avenues to try and resolve this problem as quickly as possible.

Aspire Surf Games

On Thursday 6 pupils were accompanied by Mr Ellis and Reggie Gough at the Aspire surf games in Newquay, the children had great fun surfing, zorbing, slack lining, volleyball and mixing with other children from the Aspire school network. Thanks to Reggie for your support.

Young Writers

Congratulations to our young writers in Class 3 , some of our students have been selected to be published in a book all about Toy Stories. All the children worked really hard to produce some amazing 100 word stories.

Bude Area Athletics Championships

Well done to all those that competed, special mention to Esmie and Jonas for coming 3rd in their heats. A big congratulations to Cameron who was 3rd in 50m, Harry who came 2nd in 800m, Billy 2nd in 600m, Jakob 2nd in 75m and Tia 1st in 75m, they have all qualified for county. (Billy finished 2nd in a Year 4 race and will now be competing in the county year 4!!!!) Cameron, Tom, Finlay, Freddie and Mia O all put in great effort in their events too.

Homework project

A homework project went home on Wednesday, these can be completed as a whole family project if you would like. Parents will have an opportunity to come and see the children's work on 19th July at 3pm. (Yr2 upwards) The project is based around the children designing a play park, whilst there are certain tasks to complete all the projects should remain individual and unique. Please consider environmental and health
