Menu change on Thursday 17<sup>th</sup> May.

**Battered Fish**

or

**Cheese and tomato quiche**

**Both served with chips, peas and salad.**

**Ice-Cream**

**Classroom build update**

The temporary classroom is now in the process of being removed, with a full clean of the community hall carpark happening on Monday. Work around the new classroom continues and the new wooden steps are now up on Class 2. We have received replacement PE equipment this week for all equipment that was damaged by the rain over the winter.

Class 1 have had another busy week. In Maths they have been counting in arrays. In English they went on a magic carpet ride to Australia, finding out facts. On their topic work they have been looking at seaside holidays in the past and planning a picnic (more details to follow) They have also been looking at maps and symbols.

This week Year 3 have been completing their biography about Queen Elizabeth II, and Year 2 have continued describing a setting. In Maths Year 3 have been learning about parallel and perpendicular lines, and Year 2 have been consolidating multiplication and division facts. As a class, they have been learning about countries of the British Empire and the Commonwealth.

Further to their mystery stories, class 3 have identified some rather shady characters. Mr Griffiths, Mr Ellis and others have been involved in a crime and Donald Trump is involved in a kidnap. In Maths they have been identifying angles in triangles and quadrilaterals, as well as dividing whole numbers using short division.

**Class 1 request**

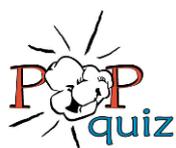

If anyone has any Australian artefacts, posters, pictures or holiday experiences that they would like to share, we would love to hear from you.

# After School Club

THERE WILL BE NO GYMNASTICS ON WEDNESDAY 16<sup>TH</sup> MAY.

Also well done to **Paige** for Gymnast of the week.

**Last week's question:**  
What does DNA stand for?

**Answer:**  
Deoxyribonucleic acid

**This weeks question:**  
What is the shape of the universe?  
(clue- a famous brand of potato chips!)

## Attendance

**School year to date: 95.3%**

This week has seen an increase of 0.1%

## Days off school add up to lost learning

### 175 NON SCHOOL DAYS A YEAR

175 days to spend on family time, visits, holidays, shopping, household jobs and other appointments

# School Dinners

Over the past few months we have seen a big increase in the amount of outstanding dinner money that is owed to Chartwells (of which we have a responsibility to collect).

As a school we cannot afford to subsidise school dinners. If more than £15 is owing on an account, we will seek the balance to be cleared before any more school dinners are ordered.

We appreciate lunch money can be easily forgotten in the morning when getting everyone out of the house and to school on time. We do have the function available to pay in advance. ParentPay will allow you to transfer a lump sum onto your child's account, a credit balance then sits on the account (many parents already do this) and Miss Hicks is also able to accept cash or cheques in the office.

Reminder letters will be sent when you are nearing the £15 mark to ensure that children continue to receive their lunches.

I appreciate this is a change in approach, but we need to keep our school arrears to a minimum.

Thank you for your understanding in this matter.

**FUN FOR CHILDREN AND FAMILIES AT LAUNCESTON  
LIBRARY – Saturday 2 June 10.00-12.00 noon**

**LEGO AT THE LIBRARY** - FREE drop-in event featuring Lego with a Causley theme and the Cornish language.

On Saturday morning, 2<sup>nd</sup> June, Launceston Library will be hosting its regular Lego Club with a special Charles Causley theme. Pat Tremain and Sarah Cooke will be on hand to help the young makers describe and name the Lego models in the Cornish language.

**POP IN FOR POETRY** A FREE drop-in workshop for 6-11 year olds) Saturday 2<sup>nd</sup> June 10.00-12.00 noon

Pop in and have a go at writing a poem or contributing to a group poem. Poet and Storyteller Annie Fisher will provide ideas, objects and poems to get you started. Her poems are sometimes silly, sometimes serious and sometimes both at the same time. The emphasis will be on playful poems and poems which tell a story.

Further details of The Charles Causley Festival can be found at [www.charlescausleyfestival.co.uk](http://www.charlescausleyfestival.co.uk)

**SUMMER READING CHALLENGE 2018**

The Summer Reading Challenge 2018 will be called Mischief Makers, inspired by the much-loved iconic children's title Beano, which celebrates its 80th anniversary.

Children will explore a map of Beantown to find the mysterious buried treasure and become ultimate mischief makers! Dennis, Gnasher and friends will help them solve clues and collect stickers, having lots of fun and adventures along the way! Most libraries in England and Wales will start the Summer Reading Challenge on Saturday 14 July.

## Warbstow Wonders

To share our children's achievements we are going to publish the names of pupils receiving special certificates.

This week congratulations go to:

### Kind and Helpful

Mia O  
Emilia  
Jonas  
Emily

### Resilience

Tom

### Working Hard
