 June 10th- Budehaven Transition at Budehaven
 June 17th- Beach wellbeing day.
 July 12th-16th- Launceston transition week
 July 23rd- INSET DAY
 July 26th- SUMMER HOLIDAYS

Thank you for your online parent questionnaire responses; they are most helpful to establish a picture of the school from a Parent/Carer perspective, for the head of school and staff (and future head of school) to address.

Communication improvement seems to be a reoccurring theme and I will endeavor to keep you informed and up to date with all things Warbstow in good time.

I can share with you briefly that each class has a page on the website which has an overview of the half term topic. Pre-school- now 'Nursery', is being brought into our school identity more fully; at present with the name change on the website and other media, this will continue.

Contacting teachers with their personal work email is not an area that will be changed, emails to hello@warbstow.org.uk and telephone calls are to continue. Every effort is made to be available at the school gate at drop off and pick up to address any issues quickly if possible. Communication with the Head of Schools/teachers is welcomed as above if needed.

Finally, it was great to see that the most positive responses were that you feel children are safe at school and that it is well led and managed, and that the teaching/progress is good.

Please see an overview of the results which have been emailed to

Please ensure you have selected your children's meals by 5pm Sunday 17th May.

[Lunch Options](#)

Please also ensure any balances on ParentPay is cleared every week.

Scouts Cash in Trash !!

Have you noticed how much litter accumulates on our grass verges and road sides? The Brooks' family are combining community action with fund raising towards the new local Scout Hut. Can you spare a contribution?

We are doing 24 hours, or more, of litter picking, over the coming months, to raise money for the Second Bude (Jacobstow) Scout Group hut . We will start at the junction to North Petherwin, then continue along the main road, through Canworthy, Canworthy Water, (including part of the Wainhouse Road), onto Warbstow village out the other side and continue along the road onto Hallworthy Woods, collecting from roadsides, gateways and side roads. To donate you can either go to

<https://www.crowdfunder.co.uk/new-scout-hut-for-2nd-bude...>
which also provides all the information of the building project,

Or

2. You can contribute by posting your contribution through our door or handing to one of the family.
(Financial contributions - not litter please!)

We will update you on our progress throughout.

Please share and spread the word.

Regards Ali, Martin, Tom and Oliver 07812959879
