Health Questionnaire

As we are starting to stream line more of our forms and come away from the paper based environment we would like to take this opportunity to update our medical records held for children and get the information all in one place.

This will help us with care plans and any pre existing medical conditions.

Please can we ask all parents to complete the following health questionnaire by 30/09/2020.

A Message from Our Head of School

Dear Parents and carers,

I am very pleased to share with you the relief that all the planning and preparations have ensured the successful start to Warbstow Primary Academy's reopening.

The positive reactions from all the children and the gentle approach in school has been rewarding to observe.

I am seeing some tired faces already and know it must be difficult to re-introduce early bedtimes, it will however pay dividends for your child's learning at school.

I hope that we maintain the progress over the next few weeks.

I must remind parents that they should be social distancing from each other at all times and not congregating in small groups during drop off and pick up. I trust that you are able to manage this and ensure the safety of the school community. We have been seeing congregations in the back playground. If you have children to drop off at in class 1 and 2 can we ask that you arrive no earlier than 8.55am to avoid congestion in the rear playground.

It has however been excellent to see some of our parents social distancing during pickups, Thank you gents!

This week we have welcomed 4 new children to the school, we would like to extend a warm welcome to Lavinia, Arthur, Charles and Henry who have all settled into Warbstow life.
