This week Mr Ellis and Mr Sneddon from Aspire met with Arcadis and have a meeting arranged with all parties involved in the build next week.

We are inviting parents to e-mail us with your challenging questions concerning the classroom build. We hope to collate these questions pick out the best, and take them with us! Please email [gemma.hicks@warbstow.org.uk](mailto:gemma.hicks@warbstow.org.uk) by Wednesday 31<sup>st</sup> January with the subject (classroom questions)

If you are interested in a uniform for your child please speak to Katie ASAP as an order is going in on Tuesday.

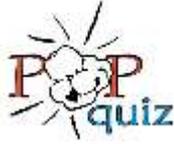

This week Pre-School have been making bird feeders and have been doing a lot of weighing and measuring outside, and making comparisons between different quantities.

It has recently come to my attention that there was a “near miss” with a child and a vehicle outside school. I appreciate that children will be children and will not always look where they are going, and I am grateful that the adult driving was doing so at a sensible speed. This meant they were able to stop with plenty of time.

I would ask you to please drive carefully and slowly outside of school at all times. We understand that parking is difficult, so please allow plenty of time in the mornings and after school, to park your car and drop/pick up your children on time.

**LET'S KEEP OUR CHILDREN SAFE.**

Viking disputes were settled by a "holmgang" what is this?

**Holmgang is a duel. It was a recognized way to settle disputes**

This weeks question

**"The large green lizard quickly flicked out his long sticky tongue ." Find the article, adjective, adverb, preposition, noun and verb.**

This week our Years 5 and 6 went to an athletics competition at Camelford. They all joined in and did Warbstow really proud. A special mention must go to Tia Chriss who was singled out and applauded for achieving a silver award.

Unfortunately, Monday's football game at Callington has been cancelled.

### Attendance

**School year to date: 95.1%**

This result is unfortunately lower again than last week by another 0.2%.

I am very hopeful that we can improve upon this over the coming weeks.

### Days off school add up to lost learning

#### 175 NON SCHOOL DAYS A YEAR

175 days to spend on family time, visits, holidays, shopping, household jobs and other appointments
