

25<sup>th</sup> September 2020

# Warbstow Primary Academy

Head of School: Mr S Ellis

October 23<sup>rd</sup>- INSET DAY  
October 26<sup>th</sup>-30<sup>th</sup>- HALF TERM  
November 13<sup>th</sup>- Flu vaccinations  
December 18<sup>th</sup>- Last day of Autumn Term  
Dec 21st-Jan 1<sup>st</sup>- CHRISTMAS HOLIDAYS  
January 4<sup>th</sup>- SPRING TERM STARTS

Please see this weeks link for lunch ordering- can we please remind parents this must be completed for all children by midnight on Sunday.

**PLEASE ENSURE ALL PARENTPAY BALANCES ARE CLEARED EACH WEEK**

### Lunch options

There is also a change for next week as we have our census day- for those that don't know census day is important for funding for the school and the uptake of school meals on that day forms part of that funding. Please can we encourage as many children to have a school meal on this day particularly if they are universal free or pupil premium.

Thursday's meal has been changed to our popular all day breakfast or vegetarian breakfast. A Jacket potato is also available.

## Health Questionnaire

Please can we ask all remaining parents to complete the following health questionnaire by 30/09/2020. We are missing information for 30 pupils.

[Health Questionnaire](#)

## A Message from Our Head of School

Dear parents and carers,

We successfully complete another week and school life is beginning to return to some normality. Children are working hard on maths and literacy, they are reading with regularity, books are being changed and homework is being set.

Please remember to use your Google classroom login details and check that you can access your child's account. In the event of a future lockdown this will be our chosen way of teaching and learning. If you have any problems please contact the office and we will put our experts on the case.

Thank you for your 2 loops in the morning and afternoon pickup and drop off. Congestion has decreased and it is running smoothly.

However, can I please ask you to wait patiently with your child at pick up and not let them run up and down the verge. There have been 2 occasions this week where children have run into the road unattended. Although traffic is considerably slower now due to the cones and increased awareness of parents, post office vans, delivery vans and residents may not be as vigilant, and I am concerned that there could be an accident.

We welcome a new pupil in Year 6, Imogen and look forward to her settling in.

House captains, sports leads and librarians have been selected in Y6, all are now in possession of their enamel badges and eager to fulfil their duties with pride.

Winter draws on ladies and gentlemen, please ensure children come to school with sweatshirts and coats. We are keeping classrooms well ventilated and do not want anyone to feel cold.

Have a marvellous weekend and enjoy the sun when it comes out!

## FunFit

We have had enough interest to run the club on a Friday morning only at present, as and when we have more interest, we will be able to look at the Wednesday as well. At present Monday is not a viable option. If you have not shown an interest in the morning club (8am-9am) yet and you would like your child/ren to attend, please let Miss Hicks know ASAP. FunFit will start next Friday 2<sup>nd</sup> October. Fees for next week until half term will be £6 for a sole child and £10.50 for 2.

Please then arrange to make the payment in advance on ParentPay.

We have received a call from Launceston minor injuries, and they have asked us to share with our parents new procedures in place there due to Covid-19.

### Protect yourself, protect the NHS - contact 111 first

We are changing the way people in Cornwall access urgent - but not emergency - NHS care. We want to make sure people get the right care in the right place.

We are asking residents and visitors to Cornwall to contact NHS 111 by phone or online, at any time of day or night, to find out where they should go and when.

The reason for doing this is to keep people safe – our patients and our staff – during the pandemic. We must avoid overcrowding in our waiting rooms and reduce the risk of passing on coronavirus.

Expert clinicians at 111 will guide you to the right service for your injury or illness. They will let these services know you are coming.

#### You may be referred to:

- Your own GP – even if you are here on holiday
- A pharmacy
- A minor injury unit
- An urgent treatment centre

Or, if appropriate, you will be given advice on how to care for yourself at home.

People arriving at our minor injury unit without a referral from NHS 111 may be sent elsewhere or may have to wait longer, unless they need immediate treatment.

Getting you to the right place for your needs will give you a better experience and help to keep you safe. If you do need an NHS service, we will make sure that it is as close to home and as fast as we can.

Cornwall is one of several places around the country asking people to use 111 first in response to the pandemic and the ongoing need to protect people from infection. Other parts of the NHS are likely to follow the same system over coming weeks and months.

Go online at [www.111.nhs.uk](http://www.111.nhs.uk) or call 111
