[Lunch options](#)

The Cornwall Heritage Trust have translated all Cornish School names this week. Warbstow's name is **Skol Gynsa Logwerburgh**

Please ensure that you are able to access google classroom for your child/ren at home. If your child is off sick or in isolation, then work will be loaded for them to do each day on here. If you have any problems with the details please let the class teacher know.

## Aspens

Last week we shared with you that from January our kitchen will be run by Aspens. The new menu is now available and on our website under school dinners. Please note we do not offer packed lunches made in our kitchen except for school trips. This term the pre-ordering has been hugely successful and therefore we will continue doing this in the new year. Miss Hicks will send the link out to order next Thursday. We will be starting on week 3 from week commencing 4<sup>th</sup> January.

## Allergies

Aspens are committed to providing meals for children with special diets for medical and cultural requirements. Where possible we work closely with our suppliers and aim to be as accurate as possible but it must be noted that we can only be guided by the information the suppliers provide, similar to the process of a parent catering for a special diet. It is essential that all parties concerned work together when providing a safe, special diet and that this is reviewed with every menu change.

If your child has any allergies, please contact Miss Hicks who will send the relevant form to you.

It is vital that all forms are accompanied with a referral letter from a medical professional (GP/consultant/dietician)
