A Message from Our Head of School

At the end of last week, we organised a Warbstow Cross Country in-house event. Children ran with outstanding resilience and passion around the majestic Bury. A backdrop of dark, heavy and pendulous clouds encircled us as if willing the children to run faster (before the clouds burst!).

Congratulations to our winners and all our participants. A big thankyou to all the staff who marshalled the event and to the sheep who created an obstacle course for the children to navigate.

In other news, I will be hosting the interviews for the new Head of School position at Warbstow Primary Academy next week. I will of course keep you up to date with any and all developments.

Have a marvelous weekend.

Please ensure you have selected your children's meals by 5pm Sunday 23rd May.

Non uniform beach day

Raising money for The Mermaids Centre.

We thought as Jago has been doing so well with his amazing challenge, we would support him at the school with a non-uniform day next Friday 28th May. The theme we thought may help change the weather with a beach theme. Let us see those sunglasses, baseball caps, Bermuda shorts & sun dresses (please tweak to ensure children are not cold!) Jago will be outside the school gates at the start and the end of the day where he will be collecting donations for the non-uniform day if you wish to contribute.
