## A Message from Our Head of School

Dear Parents and carers,

Firstly, I would like to communicate my gratitude to all regarding the introduction of our new drop off and pick up measures. It seems that the new procedures are a success, all timings are swifter and social distancing is being maintained in the playground.

Please do maintain your 2m distance as much as possible outside of school including in the car park as we now enter our first week of our national lockdown and continue to keep our community safe.

Warbstow is taking part in an Aspire wide (online maths) SumDog competition. Please encourage your child to take part at home and perhaps we can Win for Warbstow! Access to SumDog can be made through the pupil login link on the school website.

We are now in possession of 3 matching gates at the front of school. These will now be locked after 9 AM in the morning as we are able to secure the site at long last. The gate closest to the small staff car park and office will be used to gain access to school for deliveries etc and will be fitted with an electric lock and release mechanism in due course.

House Captains accompanied me to the Warbstow War Memorial today to lay our collections of beach pebbles painted with poppy emblems in remembrance of sacrifices made. The pupils also made notes of surnames written on the memorial that we have at school and have been asked to research the abbreviations attached in order to deepen their, and our understanding. I look forward to sharing what they have found out with you soon.
