

School Development Plan Priorities 2019-20

5 key areas to development planning	Strategic Goals 2019-2022
Care, Support & Safety	Children, with support from the school and their families, play an active role in leading healthy, safe and independent lives.
Teaching & Learning	Children develop a love and passion for learning as a result of a broad, balanced and highly creative curriculum.
Standards & Leadership	Children make good and better progress in all curriculum areas.
School environment	Children's learning is enhanced through being given the opportunity to work and play, both indoors and outdoors, in an enriched and well maintained environment.
Community & Co-operation	Children demonstrate an outstanding understanding of their place in the local, national and international community and make a positive contribution to these.

The following table summarises the priorities for this academic year and the outcomes we propose to achieve.
