Dear Parents

During the school year, there will be many opportunities where your child may be photographed by School staff. The photographs may be included on the school website or in School or Keskowethyans literature. At some of our events, photographers from the local newspapers attend to take pictures for their own publications. Any photographs taken by the press may appear on their website.

Whilst we recognise parental concerns regarding the publication of children's images, many families appreciate seeing photographs reflecting their activities and achievements, both in the press and within school. At all times, safeguarding children is our main concern. We will never include surnames of children and we will not share the photographs with any other organisations.

If you do not wish your child to be photographed, please complete the attached slip and return it to the School Office.

If you do not return the slip, we will assume consent is given.

Yours sincerely

Wendy Sherlock
Acting Headteacher
