

Half term Challenge

Can you paint a stone?

'Only One You' is an inspirational children's book about Adri, a little fish who is about to go and explore the ocean on his own. His mother and father tell him some of the important lessons they've learned throughout their lives in hopes that it will help him on his journey. They remind him, "Always be on the lookout for a new friend," and "Find your own way. You don't have to follow the crowd." The book stresses how everyone is unique, and that each of us have something to contribute to the world. "There's only one you in this great big world. Make it a better place."

Can you send in a photo of your stone and send it into school.

Each day when you look at your stone you will remember that you are unique and special
