Happy, Smiling Faces

This week we have been able to welcome back more children into school. After a slight change to our recovery plan, the children whose parents are key workers have been joined by children from reception. Ash Class have settled brilliantly! We have also welcomed more children of key workers across the school. Everyone has worked very hard to follow the new cleaning regimes and we are super impressed by the sensible attitudes. A great week!

Support for GOSH

A close friend of the school has been getting creative during lockdown. While not needed at school, these beautiful face masks are too lovely not to share. Profits are being raised to support Great Ormond Street Hospital. Take a look [here](#) to help out a great cause.

NSPCC

Speak Out! Stay Safe!

The NSPCC plays a fantastic role in keeping children safe across the country. They run a Speak Out Stay Safe campaign for children to help them understand how to look after themselves. The NSPCC are due to come and visit our school in the Autumn Term, but to help their work during this time when they cannot visit schools they have shared an [online assembly](#) with some famous faces. Take a look at the [NSPCC website](#) to find out more about the Speak Out Stay Safe programme.
