01 September 2020

Dear Parents and Carers,

I hope that you have had a restful and relaxing summer break. We are busy making the final preparations ready to welcome everybody back on Thursday.

As you may know, the DfE have recently updated and amended their guidance for schools to make sure that we offer a learning environment that is as safe as possible for pupils and staff. In light of these changes, I have attached the updated FAQ and Risk Assessment for your information. Myself and the governors will be continually monitoring and adapting the Risk Assessment and procedures to make sure we meet the requirements of current guidance as well as evaluating how well things are working in practice. Remember, you can also ask questions if they are not covered by the FAQ; your input has helped us to include extra information that parents find useful. Thank you for your support with this.

We are looking forward to some innovative maths training for our INSET Session on Wednesday 2nd September and to seeing the children on their first day back on **Thursday 3rd September 2020**.

Best wishes,

R.B. McKay

Mrs Bradley-McKay
Headteacher
