

Reading and Writing

- Children should be able to sight read these tricky words:

I no go to the me we be he she
my was they into are some come have

- Children should be able to write a simple sentence, mostly on their own and without an adult telling them exactly how to spell the words, for example:
- I can see my Mum and Dad.
- It is very hot today.
- He had a black dog.
- She had a red bag.
- We went to town on the bus.

Mathematics

- Children should be able to count different objects up to 20 and back down to 0.
- Children should be able to quickly recognise numbers 0-20.
- Children should be able to put numbers 0-20 in the correct order on their own.
- Practise writing numbers 1-20 ready for Year 1.
- Children should be able to count objects to find a total amount; they should be beginning to subtract objects to find how many are left over.

Understanding the World

- Talk about how and why we should look after each other, eat healthily and exercising.
- Talk about the community we live in and other places in the world; what they look like and how they are all different.
- Support your child at home to use different technology - upload any evidence of this to **Tapestry** if you can!

Helping your child at home to reach age related expectations!

Physical Development

- Your child must get ready on their own in the morning to prepare them for Year 1. **Practise doing buttons.**
- Practise tying your own shoe laces.
- Children will be encouraged to use joined up handwriting in Year 1 - they should now be practising to write in cursive print.

PE

- Summer: PE will take place on a Tuesday. We will be doing gymnastics in bare feet; therefore the children will not need trainers.

Please remember, all jewellery should be removed and long hair should be tied back.

The Early Years Team

Miss Barron - Class Teacher
Miss Mohammed - Teaching Assistant
Tina Ford - Lunchtime Supervisor

- Share ten books at bed time and win a free book!
- Read as much as you can with your child at home.
