

Self-Isolation Learning Guidance – Year 2

Please use the long term plans and half termly overviews on the school website to check the themes covered in each curriculum area for year 2.

https://www.tavistock-pri.devon.sch.uk/website/curriculum_overviews/46359

Have a look at the websites below. Try and vary the subjects that you cover. There are lots to choose from, feel free to use other resources you find and use this to guide the learning that takes place at home.

English

Please use these websites to help support the English work completed at home.

Spelling frame – <http://spellingframe.co.uk>. Make sure you click on the year 2. Choose one spelling rule to work through each day. This website will give you lots of words that follow each rule.

Another website to help with spelling - <https://www.topmarks.co.uk/english-games/5-7-years/letters-and-sounds> Select the game which challenges you,

The Babcock home learning site offers lots of different English activities. Pick one or two that you like the sound of and have a go. It is simple to use, just hit download on the activity that you like the sound of and a PDF document will pop up.

<https://www.babcockldp.co.uk/improving-schools-settings/english/home-learning/home-learning-english-key-stage-1>

Oak National Academy has lots of activities for English.

Reading and Writing - <https://classroom.thenational.academy/subjects-by-key-stage/key-stage-1/subjects/english>

Maths

Please use these websites to help support the Maths work completed at home.

The White Rose website has some useful activities to support the skills and knowledge we cover in school. Each lesson is supported by a short video and an activity.

<https://whiterosemaths.com/homelearning/year-2/> Start for week one, this will support the work done in school so far. If you are finding this too easy, please challenge yourself with the lessons in a later week.

Use this website to practise quick recall of known facts. Give it a go!

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Foundation Subjects

We cover a lot of other areas of the curriculum – have a look at the Oak National Academy website who offer a range of activities for different areas of the curriculum. Choose a theme that links with our current curriculum. This will take to activities you could do at home.

<https://classroom.thenational.academy/subjects-by-key-stage/key-stage-1>

Physical Activity

We recommend you try and complete a form of exercise everyday. You could practise a particular sport or a particular skill using some sporting equipment. Try and set challenges for yourself and give yourself targets to beat.

You could also have a go at Cosmic Kids Yoga – there are lots of adventures on YouTube – try them out and find your favourite.
