

## Accounting for the spend of the PE and Sports Grant for the period from

### APRIL 2017 to MARCH 2018

During this period, the Academy actually received **£15,557** to promote a wide range of high quality sports provision for all pupils. The sports grant monies doubled with effect from September 2017. We received £4083 in May 2017 and £11,474 in November 2017.

We abided by six general principles for the use of this grant, they were:

- To increase engagement in sport from an early age, that is for our youngest pupils
- To identify and offer additional provision outside normal school hours for target groups of pupils who have not previously attended out of school sports provision
- To provide a wider range of sporting experiences for those pupils who have already shown that they are skilled and talented in sport
- To provide additional out of school sports activities across the school (including Y5 and Y6 Residential Visits)
- To promote and provide our pupils with access to competitive sports tournaments in a range of sports
- To access high quality training for our staff which is focused on providing outstanding PE and sports provision across the school

### **The following list shows how Huntington Primary Academy had originally planned to spend the 2017/2018 PE and Sports Grant**

- Funding for all Y5 pupils to take part in a sports - based residential visit to a local fee paying school and for a sports coach to attend (£1,000).
- Subsidising fees for the longer sports- based residential visit for some Y6 pupils and for a sports coach to attend (£1,000).
- Funding travel, supply costs and first aider to enable pupils and their families to attend regional sporting events in school time with a sports coach (£2,000).
- Funding a 'Super Saturday Sports Club' for EYFS and KS1 pupils (£4,000).
- Funding after schools clubs for alternative sports such as archery (£4,000)
- Funding kit/hoodies etc. for our sports teams (£500).
- Funding vulnerable pupils to attend sports clubs, such as York City FC and 'Total Energy', and taxis to transport these pupils home after clubs (£500).
- Improve playground facilities to promote sports activities in the playground (£7,300)
- Funding extra staffing and training to enable pupils to learn to swim in smaller groups (£800).

### **How was the PE and sport premium spent? MARCH 2018**

The money was actually spent as follows :

- Funding for all Y5 pupils to take part in a sports - based residential visit to a local fee paying school and for a sports coach to attend (£1,000).
- Subsidising fees for the longer sports- based residential visit for some Y6 pupils and for a sports coach to attend (£1,000).

- Funding travel, supply costs and first aider to enable pupils and their families to attend regional sporting events in school time with a sports coach (£2,000).
- Funding a 'Super Saturday Sports Club' for EYFS and KS1 pupils (£4,340).
- Funding vulnerable pupils to attend sports clubs, such as York City FC and 'Total Energy', and taxis to transport these pupils home after clubs (£500).
- Funding extra staffing and training to enable pupils to learn to swim in smaller groups (£884).
- Additional sports equipment, that is extra mats for gymnastics and good quality goal posts - £300
- **TOTAL MONIES SPENT £10,024** The remainder of the monies (**£5,533**) is carried forward to fund playground markings to increase engagement in games from an early age (to be completed summer/autumn 2018- dependent on construction works)

**What was the impact? The spend resulted in the following:**

- Continued extensive and increased participation by pupils from the academy in local and regional sporting competitions (Please see results from tournaments and competitions)
- Pupils who are talented and skilled in a particular sport have competed in a swimming tournament, Y3/Y4 football tournament, Y5/6 hockey tournament and a girls' football tournament at Archbishop Holgate's School. In addition, 11 pupils (from Y3, Y4, Y5 and Y6) represented York in the Yorkshire Cross Country Competition, after being placed in the top eight in the York finals.
- Continued opportunities for pupils in Y5 and Y6 to take part in a wide variety of sports or active activities on residential visits. Y5 played golf and tackled a challenging assault course whilst Y6 experienced canoeing and scaling the climbing wall at Robinwood.
- EYFS and Y1 pupils had access to a free active club named 'Super Saturday' thereby increasing the participation in sports activities for our youngest pupils
- High participation in a range of sports -based clubs (as evidenced in club registers).
- All Y4 pupils who took part in the swimming sessions in the autumn term improved their level of competency as swimmers.
