

Additional Cookie Information

This document explains more information about our use of cookies in accordance with our Cookie Policy. It explains which cookies are used depending on the settings allowed by each individual user.

Essential Website Cookies (Always Active)

These cookies are strictly necessary to be enabled to ensure that our Services are operational. Because of this, you cannot refuse them without impacting how our websites function. You can block or delete them by changing your browser settings, however please note that you will not be able to login if you refuse these cookies.

Preference Cookies

These cookies are set to control which cookies the user has accepted the use of on their device.

Cookie	Description
agree	This allows eSchools to use all cookies (as listed above) on the users device.
essential_only	This allows eSchools to only use the essential cookies listed above.
analytical	This allows eSchools to use essential cookies and analytical cookies.
advertising	This allows eSchools to use essential cookies and advertising cookies.
user_created	This allows eSchools to display user embedded content onto the website.

Automatic Reset Options

By default the Cookie Modal will appear to re-establish the choice of that user on an annual basis. This can be changed to a shorter time if necessary. Please note that this will affect all visitors to that particular school's website whether they are accessing the site at home or within the school.
