8th October, 2019

Dear Parents/Carers

School Photographs

The photographer will be in school on **Friday 25th October** when individual and sibling photographs will be taken. The proofs of the photographs will be sent home with children. Please ensure that your child is in correct school uniform on this day.

Additionally, we are able to offer family group photographs from 8.00am to 8.50am on the same day for siblings who are either at pre-school or secondary school. We hope that you will take this opportunity to have family group photographs of pupils in our school or with older/younger brothers and sisters. Children must be accompanied and supervised by an adult family member during the group photograph session.

All children will be photographed, there is, of course, no obligation to buy any of the photographs, but we hope you like the results. All orders need to be returned to the school office by 9.30am on Tuesday 5th November 2019 this is to ensure photographs are received in time for Christmas.

Should you have any queries or need further information do not hesitate to contact me.

Yours sincerely
