Notices

- . Please ensure that your child comes to school with a coat, we all know how unpredictable the weather can be and it is always better for them to have one and not need it.
- Once a week, your child will have the opportunity to select a library book that they will bring home to share with you. Please take time to enjoy their choice and discuss what happens. We would like to see a comment written in the Love Reading Journal, sharing what your child thought about the book. We want to promote a love of reading! Your child will only be able to change their book when they return their previous book.
- Thank you to all the Year R parents who have activated their Tapestry account, please continue to regularly check and add your own observations.
