## 'I Can...'

**Please return this sheet and your 'all about me' booklet in September.**

We would like to know about your child's abilities and independent skills. Please tick the things that your child can do **independently**. Don't worry if there are things on this list that your child hasn't quite mastered yet, we will be here to help them as they start school but the more they can do themselves the easier school will be. Please use the weeks leading up to starting school to practise these skills.
