Dear Parents and Carers

Maths Workshop and Open Classroom Event

Thank you to all the parents who attended this event this week. We hope that you found Mrs. Kirkman's talk informative and that you enjoyed exploring some of our mastery approaches to maths alongside your child. For those parents who were unable to attend, Mrs. Kirkman will be sharing her slides on the Maths page of our website. As always – if ever you have any questions about how to support your child, just come and talk to your child's class teacher.

Visit from the Screech Owl Sanctuary.

Children and staff alike were mesmerised by a visit from some extraordinarily beautiful creatures this week. Imagine stroking an owl's feathers and learning about all their incredible survival skills as part of our 'What matters most, the journey or the destination?' enquiry. Children from EYFS and Class 1 had just that opportunity and were filled with wonder and curiosity that sparked their questions.

Football Round Up

Well done to our newly formed football team who competed in their first match against Tintagel Primary School this week. Even though they suffered a loss they continued to keep the momentum going and battled on showing true sportsmanship. We look forward to their next match at St Breock next week.

Cornwall Christmas Box

We will be beginning this charity campaign in earnest next week. Please check the class lists for each hamper to see what has been donated and what is still missing, so that together we can build a lovely hamper from each class and really transform a child's Christmas experience. The lists will appear in the main corridor by the playground entrance.

Poppy Appeal

Thank you to everyone who has supported this, we collected £106.30.
