Dear Parents and Carers

## A Harvest Thank You

Our Harvest celebration was a really enjoyable event and we loved seeing so many families attend. It is always really special for the children to have the opportunity to perform – especially the Reception children who really entertained us with their singing. Whether you contributed a tin of soup or some locally grown produce, your kind donations will be distributed amongst the community where I am sure they will be gratefully received.

## PE Kit

I would just like to thank all parents for their support with the PE kit. There has been a huge improvement at both schools; the majority are now wearing the school colours - we look like a tribe! Less children are forgetting PE kit so please can we keep it up, thank you.

## Phonics Workshop – Wednesday 31<sup>st</sup> October 2:15 pm

We would like to invite parents and prospective parents to a Phonics Workshop run by Mrs Dickinson. If you are interested in finding out a little more about how reading and writing is taught, from the very early stages through to more complex spelling rules, feel free to come along. To prepare resources we would appreciate it if you could let the office know if you will be attending.
