

Butser Ancient Farm and Stone Age to Iron Age Theatre Workshop

19th February 2018

Dear Parents/Carers,

Our topic this term is 'Stone Age to Iron Age'. To further our learning about this topic we will be taking part in a Stone Age to Iron Age Theatre Workshop at school on Monday 5th March 2018. This is an exciting opportunity in school to become pre-historic people for the session and understand some of the changes that happened during this time. It is a very hands-on way for the children to experience history. We will also be visiting Butser Ancient Farm on Tuesday 20th March 2018. This trip allows the children to take part in hands on activities whilst teaching them all about how people lived in the Stone, Bronze and Iron Ages.

The cost of this wonderful trip and workshop is £24. However, we are only requesting a voluntary contribution of £18 towards both experiences. Although this is a voluntary contribution we hope you will appreciate that for the workshop and visit to go ahead, we do rely on voluntary contributions being made for all children and that without them, the planned activities might have to be cancelled. We hope that you will be able to help support these experiences.

Please complete the permission slip below and return to us or the school office as soon as possible. Thank you for your continuing support.
