Newsletter: 8th June 2018

Parental Supervision of Children

We have observed on a number of occasions recently children climbing on the tables and over the wall, on the fence, up the tree and exiting the gate at the end of the school day. Once the children have been dismissed at the end of the day, please could parents leave the playground so that the gates can be locked ready for after school club and activities.

Readathon

This term we are focusing on Reading for Pleasure. Activities will include: Drop Everything and Read, book reviews, Extreme Reading (take a photo showing reading in an unusual place!), raising money for Readathon, a visit for our local librarian who will introduce the Summer Reading Challenge and pupils reading with pupils from different classes.

Please support your child with these activities. As well as providing an immense amount of pleasure, evidence from research shows that children who read a wide range of texts regularly go on to have greater success across their education.

Money raised through Readathon helps provide books for children who are in hospital. For more information click on the link: <http://www.readathon.org/>

Photos

Class and leavers' photos will take place on Tuesday 19th June.

Please can I ask parents not to take photos and videos at school events or during Celebration Worship. We have some pupils who do not have photographic consent. Also, photographs are considered as personal data and permission is required to take and use these from children over 13 years of age or parents of children under this age under the General Data Protection Regulations act.

Further consent forms from school will follow asap.

Next FOLS meeting

Friday 13th July in the school hall 8.45 am

Bring a Bottle Day

On Friday 22nd June, children can come to school in their own clothes in return for a bottle for the tombola stall at our fete. Please bring bottles to the hall in the morning.
