Living on Line Monday 4th February 6 pm

Our children are growing up in a world where technology and online access is advancing at a fast pace. Very often they have knowledge of online sites and ways of communication that are ahead of the adults around them plus instant access through a range of devices. Therefore, I have arranged for Mr Pete Nolan, a CEOP (Child Exploitation and Online Protection) ambassador to come to school on Monday 4th February at 6 pm when he will deliver a presentation for parents on " Living on Line". Please come along and find out how you can support your child as they navigate the internet over the next few years. The presentation will be about 45 minutes long.

Our link with Azezo Elementary School, Ethiopia

We have recently formed a link with Azezo Elementary School in Ethiopia. Through this link we aim to teach our pupils about life for children in a country that is very different to our own. Children will be learning about the school and its community and we will be fundraising to help support the development of their buildings, resources etc. We are very excited as on Thursday 24th January, we will be welcoming teachers from the school to Longney. They will talk to our children about life in Azezo, their school day and the differences between our communities and bring our project to life. Please find attached a newsletter which gives an overview of the school.
