

Southridge First School

How will we spend our Primary Sports Grant Funding for P.E. this year in 2020/21

Grant for Summer Term 20 2018 £7,680

Grant for Autumn 20 and Spring 21 £10,754

Total for Financial Year 2020-21 - £18,434

Record of Accounts for 2020 -21

The new financial year began in April 2020 when school was closed for the majority of children due to the Coronavirus Pandemic. However, school was open to children of critical workers.

In the Easter holidays 2020 Access Coaching provided sports activities for these children and in these unique circumstances this was supported by our Sports Premium Funding.

From June 1st wider opening resumed for children in Reception and Year 1. In addition, children from Year 4 also returned as they are in a transition year – 3 tier school system. (These children transfer to Valley Gardens Middle School in September 2020). As a result of the Coronavirus Pandemic each 'bubble' of children were allocated their own bag of sports equipment to facilitate active playtimes and sports activities. We used our Sports Premium funding to purchase additional equipment which was an appropriate use of the funding in these unprecedented times.

As a result of school closures and the inability to mix different schools our usual sports coaching and preparation for festivals were cancelled. All planned sports competitions and festivals were also cancelled.

We will carry the funding forward and in September 2020, when school is fully open to all year groups, we look forward to planning a 'new normal' in terms of competitive sports and will distribute our Sports Premium funding accordingly.

In July 20 school received a Certificate of Recognition for our participation in School Games events in the Autumn and Spring terms.

(This page will be updated as the year progresses to reflect expenditure)

Swimming Lessons:

Our Year 3 children usually go to Waves Swimming Pool for swimming lessons in the Autumn term. However, following guidance from the Local Authority these will now take place in the Spring term.

We do not report swimming attainment as our school is a first school and children leave us at the end of Year 4.

They continue swimming lessons in Middle School and attainment is reported by the Middle School at the end of Year 6.
