

Happy New Year to you all and a big thank you from Reception staff for our vouchers. We had a lovely shopping treat which is a rare event for us so again, Thank you!

We are looking forward to our clubs beginning next week on **Wednesdays 3.30-4.30**. This session is a four week block and therefore will cost £4.00.

Other terms will be longer so ask a member of staff or refer to your original letter for clarification on the costs.

If any child has had an allergy that has developed that we do not know about could you please inform a member of staff so that we can update the records?

Please remind your children that they will not be going home straight away. Collect from our usual collection point at the bottom of the ramp. It is difficult on dark nights to see who is there to collect so please step forward so we can pass children on safely to you.

On Friday this week we have taken part as a whole school in a Faith and Diversity Day.

For children in Reception it is important to appreciate that the world is full of wonderful differences and cultures which makes life very exciting.

We took the themes of Christmas and New Year to explore how different cultures celebrate these times in a variety of small group and whole class tasks.

Just another reminder as we enter a new year that sweets and cakes are not allowed in school for children's birthdays. We have gained a Healthy School Status Award and we would like this to continue. We appreciate that there will be times such as the school disco and Christmas when treats are allowed otherwise life would be very dull !

Please help us to ensure we give the right messages to our children and avoid any disappointment.
