

English

Narrative- Fantasy Worlds

Children will be writing diaries for famous explorers Neil Armstrong and Christopher Columbus to document their adventures. They will also be using their imaginations to write about fantasy life in space, and under the sea!

Non-Fiction- Recounts

We will be learning how to write a recount of an event, such as our trip.

Science

Investigation

Children will be carrying on their Nursery Rhyme Investigators. We will apply our scientific understanding to solve problems and investigate ways of solving them. For example, 'Humpty Dumpty' - what material can we use to stop the egg from breaking?; 'Jack and Jill' - which objects roll down the hill the fastest?

Seasonal Change

History

Famous Explorers

Christopher Columbus and Neil Armstrong
We are focussing on the lives of these famous explorers and comparing their amazing achievements. We will link our history work to our English - writing diaries and

Mathematics

Number - addition and subtraction
We will be solving problems involving addition and subtraction. We will also look at how to partition a number into tens and units.

Geometry - movement

We will be thinking about movement, including half, quarter, three quarter and full turns.

Measurement - dates

We will be exploring language relating to dates (e.g. days of the

MFL: French

Family members and

PE

Athletics: We will be practising a range of athletic skills, such as running long and short distances, jumping techniques and different throws. We will use these skills when

Music

Music from around the world
As we become explorers we will be listening and

Art and Design

Pattern

Throughout work on patterns we will develop our awareness of patterns all around us. We will look at different ways to create patterns - painting, printing, dyeing, rubbing, imprinting, embossing etc. We will make our own planets as part of our work 'exploring space' - using paints, oil, clay, collage and other

Computing

Word processing - Further develop word processing and keyboard skills. Children will access Purple Mash to design a booklet about castles.

Digital Story Books - We will be thinking about digital stories - kindles, e books etc. We will then create our own digital story book using a create a

Trip to a castle and Cathedral !

We will be visiting Newcastle Castle and Cathedral! We will become explorers for the day - having a tour and taking part in activities about the castle and medieval life.
