

Instructions for how to log on to Google Classroom.

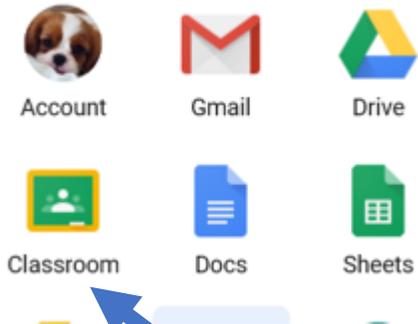

1. Log on to your NTLP account.

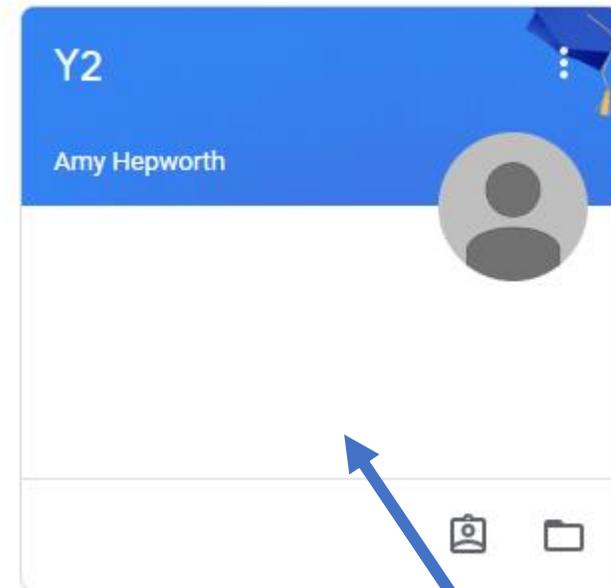

2. Click onto your email.

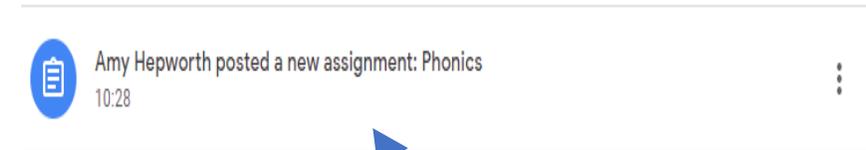

3. Click the nine dots in the top right hand corner.

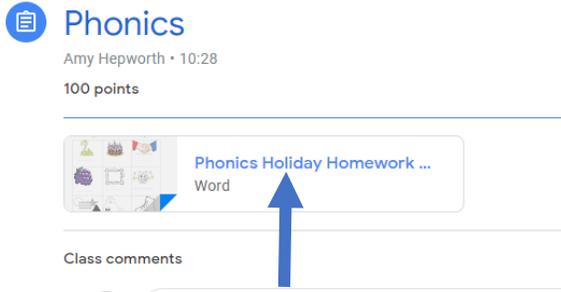

4. Click on classroom.

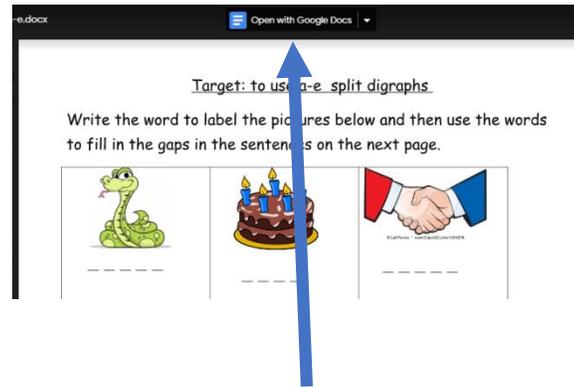

5. Click on the correct folder.

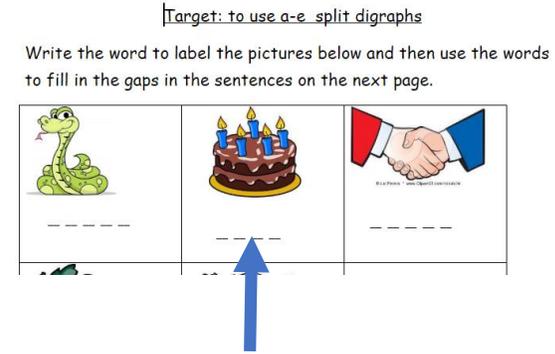

6. Click on the most recent work assigned to you.

7. Now open the document or file by double clicking.

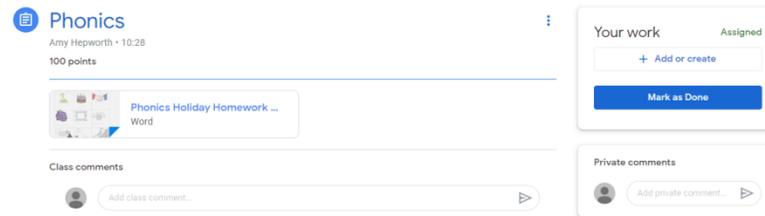

8. Now decide to print the work or complete it online. To complete it online select open with Google Docs (if a word document) OR use the doc hub option if the work is a PDF) at the top of the screen.

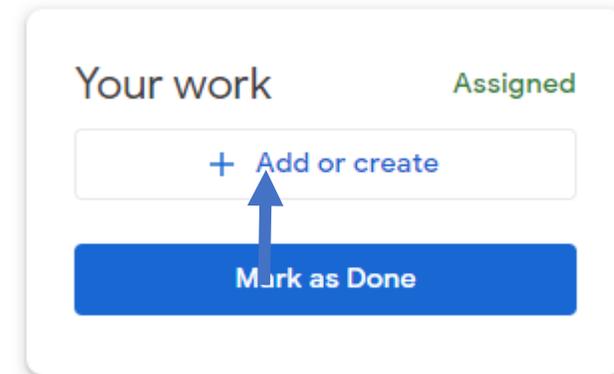

9. Now complete the work by typing freely in the boxes. Or if a PDF edit by using the typing or drawing tool options.

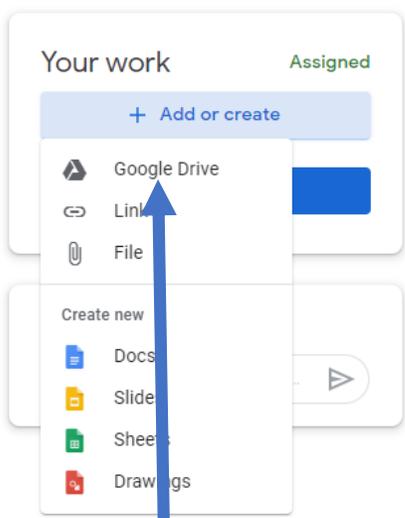

10. Once completed close the tab (Google Docs save automatically).

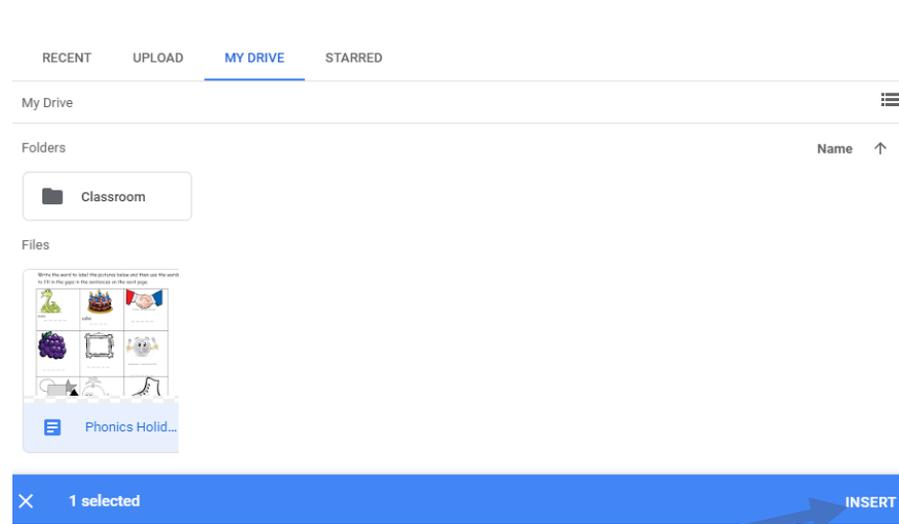

11. Now go back to the original folder.

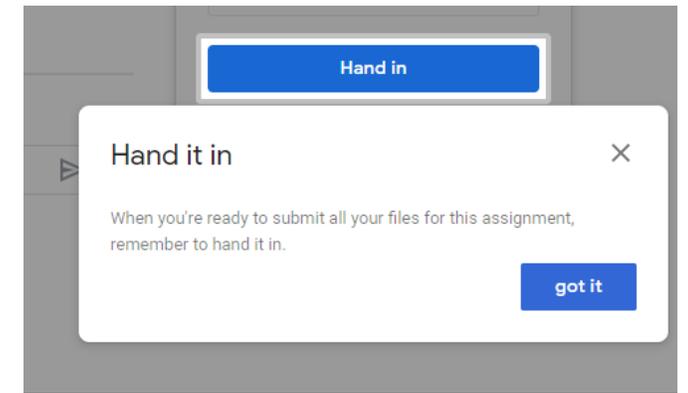

12. Select add or create

13. Now select Google Drive.

14. Click the completed file and press insert (it will now upload).

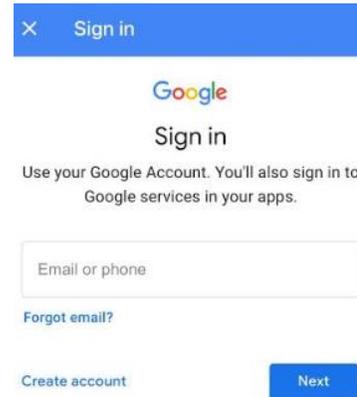

15. Now click hand in and it will submit the work for your teacher. (You will then receive feedback).

Using the Google Classroom App (on a phone or tablet)

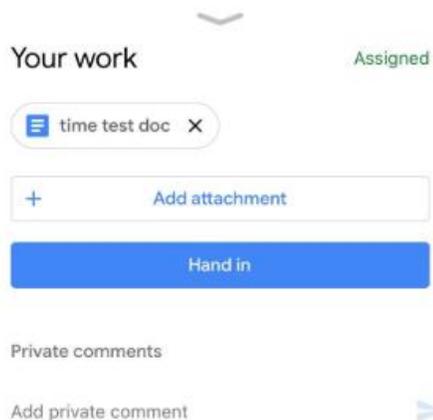

1. Download the Google Classroom app.

2. Add an account and sign in with the details provided from school. If you have more than 1 child using Google classroom you can choose to add another user.

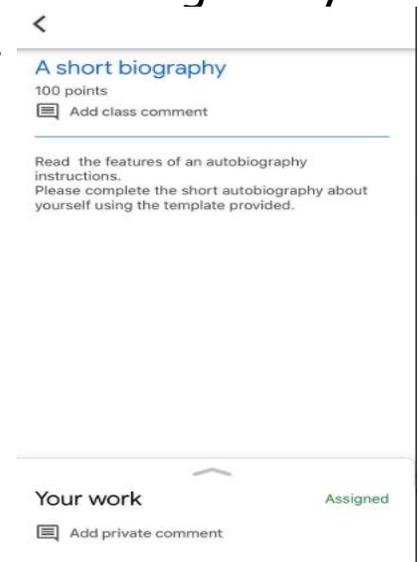

3. Select your class.

4. Click on your assignment.

5. You can work directly on the assignment as in the instructions for PC (you may need to download the Google Drive and Google Docs apps to do so).

6. If your child has completed work on paper you can submit a photograph of your child's work by first clicking onto the assignment and selecting the 'your work' tab.

7. Now select add attachment, pick a photo or use the camera to take a photo and upload this.

8. Now select hand in.
