Date: Friday 12th October 2018

Dear Parents/Carers,

This week we had visitors from CIT (Community Inclusive Trust) the Multi Academy Trust (MAT) that we belong to. The visitors took time to talk to the children, visited all of the classrooms and watched lessons, they looked at the children's books, interviewed the Leadership Team and checked our safeguarding arrangements.

The children were praised for their manners and politeness and all of the visitors commented on how happy the children were in school. Following the visit a report is compiled that shows the strengths and areas for the school to develop. The school has been on a considerable journey to date and we are making progress to ensure that the children get the very best standard of education each and every day. An education that they fully deserve. Thank you for your continued support.

Food Hygiene Rating

We have been visited by a representative from East Lindsey District Council who conducted an inspection and graded our School Kitchen as 5 out of 5 for Food Hygiene. This is a great achievement and shows the hard work that Mrs Richardson and Mrs Cook put into not only making sure our school meals are delicious and meet the required standards but are also prepared in the correct way.

E-Safety

On Monday Dan Holbrooke from Lincolnshire County Council came to visit us to talk to the Key Stage 2 children about how to keep safe online. Lots of the children were really knowledgeable and knew it was important not to trust or make contact with strangers online. The best advice is to make sure that children have access to websites and apps that are age appropriate and that parents and carers monitor online usage.

Year 4 Robin Hood Swimming

Year 4 swimming has now finished on a Wednesday (a week earlier than the original letter stated).

Harvest

On Wednesday we held our Harvest Festival. Mrs Pruhs-Borrell discussed with the children what harvest was and why it was important and we shared the harvest produce that had been brought in by our families.

Thank you to everyone who donated produce that will be put to good use by the Food Bank for those that need it.

Communication

We keep you updated in a variety of ways with what is going on in our school here is a reminder.

- We update our website regularly: www.chapelstleonards.eschools.co.uk (all of our homework and curriculum information are found on the website)
- We have a school Twitter account: @CSLPrimarySch
- We send out this newsletter every Friday
- Dinner Menus are sent out every Wednesday
- We occasionally send separate letters to you to inform you of events that we need your permission for.
- When events change or reminders are needed we can sent a text to you.
