The weekly news from Chapel St Leonards Primary School

Issue 113

Circulation: 149

Date: Friday 2nd July

Dear Parents/Carers,

The weeks seem to be flying by and we are now in July the final month of the academic year which hardly seems possible!

You will see opposite the classes and their teachers for next year. The staff will be working on the transition for children into their new classes and teachers for September. Thank goodness it seems a world away from this time last year when we were having to remotely give you information about next academic year.

Finally, I feel as though I should very quickly mention an important football match on Saturday evening. Let's hope our cross of St George is still flying on Monday morning!

Eat Them To Defeat Them!

This week the carrots have been defeated. Next week it is the turn of broccoli. To defeat them next week may well be a trickier task. (especially for Mr Almond!)

Holiday Activities and Food Programme

We are delighted to be able to inform you that whilst school will be closed for teaching during the summer there will be activities on our site for 16 days during the summer holidays. Our school sport provider JB Sports will be running and administering the programme.

The Holiday Activities and Food Programme is a national initiative that is funded by the government. The programme is free for children who are eligible for benefit-related free school meals. Those not eligible will be able to book on to the programme too.

The activities taking place will include arts and crafts, sports and games plus cooking and understanding food. Children will be provided with at least one hot meal per day as part of the programme.

As JB Sports will be running the programme we will be sending a letter out directly from them next week to give you all of the information you will need together with information about how to book places for your child or children.
