

Raiders and Traders Year 4 Curriculum Map

Values: Organisation and resilience

Trip: Chapel Beach and The Collection (Lincoln)

Geography

During our theme work we will study different Anglo-Saxon and Viking settlements

English

We will be writing for a range of purposes, closely linked to our theme. We will be writing our own Myths and Legends, creating our own characters and describing different settings.

We will also be writing our own historical recounts in the form of a newspaper. It is vital that children read daily at home and school to further develop their vocabulary.

Maths

We will spend this term focusing on the four operations, we will be developing fluency and extended our knowledge of being able to apply, reason and problem solve. In the first half term, we will concentrate on place value, addition and subtraction and in the second half of the term we will concentrate on multiplication and division.

Design and Technology

We will be designing, making and evaluating our own jewellery and clay rune stones. We will also be making models of Anglo Saxon homes.

Physical Education

On a Tuesday we will be exploring different movement in gymnastics and on a Wednesday in term one we will be swimming. Please ensure your child has their full PE kit in school all week.

Science

In science we are going to be writing our own investigations, we will focus on predictions, writing methodologies and recording results.

History

Our theme will be heavily history based. We will be exploring the Anglo-Saxon era and how they came to settle in the UK. We will then look at the Viking invasions and how they came to Britain.

Religious Education

Our RE lessons will explore Christianity beliefs from Anglo-Saxon times.

Music

We will be exploring different lyrics from songs describing life in Viking times, children will then compose their own songs over the term
