The weekly news from Chapel St Leonards Primary School

Issue 125

Circulation: 150

Date: Friday 12th November

Dear Parents/Carers,

It is great to have everyone back at school this week after a two week half term break. You will remember we changed our term dates to allow for two weeks in October so that families could book holidays 'out of season' as we know it is hard to get away for our families when they are working during the summer months.

It was lovely this week to spend some time with Mr Hill (Director of Primary Education for CIT) and Mrs Hunt (Headteacher at Caythorpe Primary School) looking at the teaching and learning of Science. We looked at all of the Science books and visited lessons. We also talked to some children from each year group about their Science work. This was by far the best part of the day as the children spoke so thoughtfully and confidently about the things they have learnt in the past and things they are learning now. Our visitors were also impressed with how enthusiastic, polite and friendly our children were which is always lovely to hear.

**Finally well done to our netball team who were competing on Wednesday. They finished in 4th place which is a great achievement. Thank you to Mr Patten and Mrs Withnall for accompanying the children.**

Well done everyone!

**Graham Almond**
