Dear Parents/Carers,

As the 2019-2020 school year draws to a close I think it is fair to say that it is a school year that none of us will ever forget. We have lived through some very strange, unusual and undoubtedly testing times and had to contend with things that we could never have imagined. However, it is very true that when we are put to the ultimate test it is often then that we realise the strength of the organisations and communities that we belong to. None more so than our school community. There can be no hiding from the fact that providing work for the children at home, parents and carers taking on the role of teachers, children missing their friends, their school and their routine has been hugely challenging. But we did it. We did it together and this is something we should all be very proud of. As a staff team, community of parents and carers and a school full of children we are always stronger when we work together and this has so clearly been demonstrated. We can face any future challenges with great optimism.

Today we say farewell to our Year 6 children who have coped very well with a very different ending to their time as pupils at our school. Well done to all of Year 6 on all of your achievements we look forward to hearing of your successes in the future.

My final note of thanks has to go to a superb team of staff. I could not wish to lead a more dedicated and committed team who care passionately about the children in our school and each other. We simply cannot wait to see all of the children back in school in September! Enjoy the summer.

## 'eschools' app

With your child's school report you will have received a yellow letter with login information for our 'eschools' app. Please download the app and login.

## Transition Information - September 2020

A 'farewell' from the children's current class teacher and a 'hello' from their new class teacher can be found on our school website in the 'New Class Information' section. Please have a look with your child; this will support them coming back to school.

Please see a letter explaining about how school will reopen for all year groups on Wednesday 2nd September 2020 in the 'News' section below

Welcome to Chapel St Leonards Primary School  
Welcome to our school website which will give you a flavour of what our school is all about.  
We aim to create a happy, working atmosphere where every child has the opportunity to reach his or her full potential through a broad, balanced, experiential curriculum. We encourage the children to value their contributions to the school and to celebrate

## Reopening the school in September

There is a detailed letter on the school website (News section) that gives parents and carers all of the information they need about our reopening in September. Follow the QR code to find the page. We also have some paper copies of the letters outside the front of the school on the railings. The letter has been sent home via MarvellousMe! and on our 'eschools' app. A link has also been posted from the school Facebook page. There is lots of information included. It is important everyone reads it. Amongst the information are the timings for the start and end of the school day for each year group in September. They are also below:
