Issue 18

Circulation: 171

Date: Friday 5th October 2018

Dear Parents/Carers,

Thank you to all of the parents and carers who attended our MacMillan Coffee Morning on Monday. Several of those attending were interested in joining our new Parent, Teacher Association (PTA) and Mrs Pruhs-Borrell will be getting in touch with those names we have to talk about some forthcoming events. If you were not able to attend the coffee morning and are a parent interested in getting involved please leave a message at the office or catch Mrs Pruhs-Borrell at school.

We will be sending out letters about our first Parents' Evenings of the year next week please look out for these and return completed appointment slips promptly. On the Wednesday evening there will be the chance to purchase books from the Book Fair.

We look forward to seeing you.

Graham Almond

Headteacher

Term Dates

The correct term dates for this academic year and next academic year are on our school website. If you 'Google' our term dates you are sent to myschoolholidays.com a website that is **not connected to the school and is not accurate**. Please use the dates on our school website. Next year's dates are published already.

Trim Trail

When children are using the Key Stage 1 trim trail at play times they are supervised by two members of staff. It is not possible for us to have two members of staff on duty before the start of the school day so we would ask that **children and pre school children DO NOT use the trim trail**. Thank you for your help.

E-Safety

We are aware that some of our children have access to mobile phones and tablet devices. Sometimes communication out of school using social media 'apps' can cause problems. We try our best to help out in school but the bottom line is if the 'app' is not suitable for children of that age they should not be given access to it. Here is some useful information about 'apps' and age restrictions:

What is the minimum age for account holders on these social media sites and apps?

Age Restriction	Social Media Platforms
13	Twitter, Facebook, Instagram, Pinterest, Google+, Tumblr, Reddit, Snapchat, Secret
14	LinkedIn
16	WhatsApp
17	Vine, Tinder
18	Path
18 / 13 with parent's permission	YouTube, WeChat, Keek, Kik, Foursquare, Flickr

Year 5 and 6 Volleyball

Mr Shaw and Mr Borrell took the children to take part in a volleyball competition after school on Thursday. The children competed well and improved tremendously throughout the event.

Sporting Events

We want to enter as many local sporting events as possible over the course of the year to give children the chance to compete and represent the school. Unfortunately sometimes the events do overrun this is down to the organisation of the events and is not the fault of the school or the staff taking the children. The staff do not want to be late back just as much as parents and carers do not want to be waiting. We will try and update our Twitter feed with rough timings and when groups have left the events and make sure we tell you if the children are going to be back a little later and you are waiting. We also feedback to the event organisers regularly to help them improve events and timekeeping. Thank you for your understanding.
