## *'Caring, Successful Learners'*

5<sup>th</sup> March 2019

Dear Applicant,

Thank you for your interest in our school and the position of Class Teacher.

We are school that is on a journey. We have a strong team of teaching and support staff who work hard to ensure that our children get the very best, an education that they richly deserve.

As a sponsored academy, we became part of the Community Inclusive Trust (CIT) on 1<sup>st</sup> March 2018. Being part of the Trust has provided us to have with the support and resources that we need to improve and develop. CIT is fast developing as a successful Trust chain with schools based in three Lincolnshire groups.

Our mission is "To put learners first and prepare them for their future", a statement which we believe is in the best interests of both our pupils and our staff. Although the Trust requires some standardisation, it is a requirement of CIT that schools maintain their autonomy whilst sharing good practice with one another.

If you require any further information and to book a time to visit our school, please contact Mrs Alison Sharpe using the above contact details.

This is an exciting time to join our school. I look forward to hearing from you, hopefully meeting you when you come to look around our school and reading your application.

Yours faithfully,

Graham Almond  
Headteacher
