

# Chapel Chat

The weekly news from Chapel St Leonards Primary School

Issue 22

Circulation: 172

Date: Friday 9th November

Dear Parents/Carers,

Another busy week has come to an end.

Mr Borrell had the pleasure of taking a number of our children out to Skegness Grammar School on Tuesday to a Leadership Day - the children behaved really well and have come back to school with the skills and ideas to lead games and activities at lunch time and play time.

Our Mini Police continue to do an excellent job and will shortly be meeting up with PCSO Nik to undertake their first project.

Watch this space as we are about to launch an exciting competition for our parents and carers with the chance to win an iPad!

Looking ahead to next week I hope that lots of you can join us to take a look at the exciting Science things we have been doing during Science week at our Science Fair on Friday. More details are on the next page.

Have a good weekend.

## Children in Need

Next Friday (16th November) we will be raising money for Children in Need by holding a non uniform day. The children can come in non uniform for a donation of £1.

## Diary Dates

- Ruby H: showing great resilience when trying to use column subtraction in our maths lessons.
- Lexi: showing resilience when trying to estimate and round numbers.
- Lucy Ann: showing resilience when working in a group and using great negotiation skills.
- Elliot: carrying on even when things are difficult.

## Attendance

Overall our whole school attendance has improved this week. Thank you. Good attendance really gives your child the best chance of success. Here is how well each class attended this week:

Reception -87.39%

Year 1 -93.46%

Year 2- 94.40%

Year 3- 97.22%

Year 4- 96%

Year 5 - 93.60%

Year 6- 92.69%

**Well done to Year 3 who have the highest attendance this week. Keep it up!**

## Science Week

Next week the children we be focusing on developing their science skills and taking part in many interesting activities. Each year group will have a specific focus and the teachers are busing planning a range of exciting activities.

### Reception: Hands on Science

### Year 1: Seasonal Changes

### Year 2: Animals including Humans

### Year 3: Light

### Year 4: Electricity

### Year 5: Forces

### Year 6: Evolution and Inheritance

We would like you to see the interesting things the children have been getting up to by coming to our Science Fair in the school hall from 2.45pm on Friday 16th November. Please enter through the doors on the Key Stage 1 playground.

## Remembrance

Today the whole school came together to remember those who have lost their lives during conflict especially poignant this year as it is 100 years since the end of the First World War. The children observed a silence following The Last Post and the three youngest children and two eldest children in the school presented two poppy wreaths that children in Year 5 and 6 created. Esmee in Year 5 also read out her excellent remembrance poem.
