

Chapel Chat

The weekly news from Chapel St Leonards Primary School

Issue 92

Circulation: 141

Date: Friday 16th October

Dear Parents/Carers,

I cannot believe another week has flown by as we approach the end of Term 1, the children are continuing to work hard and impressing their teachers with their effort and determination.

It is a regular feature of the newsletter that I ask for your help with parking outside of the school. Please only park in the car park or the side of the road where there are no yellow lines. The front car park of the school is for official visitors only and is provision for accessible parking. Thank you for your help with this. Enjoy you weekend!

Graham Almond - Headteacher

'eschools' and 'MarvelousMe!' apps

We are still using the MarvellousMe! App to send home messages and photos of your child's achievements. Remember to Hi5! the teacher back so they know you have seen the post.

We also have our 'eschools' app this is a communication app that we use to send letters and information and texts to you if you download the app this goes straight to your phone and you are notified. You may even be reading this newsletter on the app!

If you are unsure or need a reminder letter please give the School Office a call and we can send details home with your child.

The recent school closure has shown us how important it is for us to be able to keep in touch with you and send information out in this way so please do download and login to both apps.

Remote Learning

The children have all been issued with their remote learning packs today. They are in a large white envelope and all of the paperwork is printed on yellow paper. It is really important that you read these and keep these safe in case we have to close a class, the whole school or if your family have to isolate.

The letter in the pack gives you full details and the user guide for Microsoft Teams is very useful. Some of the teachers have already set the children some tasks using this platform.

The remote learning pages of the school website will have lots of information on that will be really useful for you to have a good look through.

If you do not have access to a suitable device (laptop or tablet) or an internet connection then you will need to inform the school of this when your child is told to isolate. We will then try to support you with this.

It will be an expectation that children fully access ALL remote learning whilst isolating at home.

Term Dates Reminder

End of Term 1

Friday 23rd October 2020

Start of Term 2

Monday 9th November 2020

Chapel Champions: 16th October 2020

Achievement Award

Values Award: Communication

- Reception** Lottie for embracing welly Wednesday by using her investigative skills and found mushrooms.
- Year 1** Lily for her amazing work in continuous provision, completing extra Maths and English work.
- Year 2** Jack for thinking carefully about what characters in our story might be saying.
- Year 3** Charley for fantastic dedication and excitement over his maths work.
- Year 4** Ellie for her amazing newspaper report on the Anglo-Saxons battle
- Year 5** Miley for her fantastic efforts in writing her newspaper article.
- Year 6** Lexie for her cracking Morse code home learning!

- Harley for sharing well and making new friendships.
- Emilie for her amazing communication with her partner in Phonics and having the confidence to answer questions in Maths.
- Maggie for her enthusiasm when communicating with others during our story role-play.
- Olly for using his writing to communicate some super ideas.
- Macie-Mae for her excellent effort during music lessons, communicating via sign language.
- Chris D for his detailed explanations to solve multi-step questions in Maths using the correct vocabulary.
- Rosie for being helpful and considerate when communicating in our team.

Annual Flu Vaccination

You should have received a letter regarding how to consent for your child to receive this year's flu vaccination. This vaccination is recommended to help protect your child against flu. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable family and friends by preventing the spread of flu. The vaccination date allocated to our school is Thursday 19th November. Please click on the following link to complete the online consent form for your child(ren): www.lincolnshireimmunisations.co.uk

You will need to enter the following code to ensure the completed form can be correctly allocated to your child's school: EE145489

The vaccination is free and is a quick and simple spray up the nose. This vaccine is a yearly vaccine. All vaccinated children will be given a sticker or an ink stamp on their hand. If you have any queries please contact the School Aged Immunisation Service on 01522 572950.

The NHS team do not send out reminders to parents so you do need to register your children now if you want them immunised this term.

Parking

We are requesting once again that parents and carers **DO NOT park on the double yellow lines or pavements**. We also ask that parents and carers **act in a polite and respectful way towards** other road users at pick up and drop off time. We have been in touch with our local PCSO who will be conducting 'spot checks' on parking outside school.

Student Update Forms

Please continue to send back the Student Update forms that we have sent home. Please check both sides of the yellow form to make sure all of your details are correct. It is vital that we make sure we have up to date contact details for parents and carers and two emergency contacts. We will provide an envelope to return the forms in. Please return the forms to one of the red post boxes as soon as possible. Thank you for your help with this.

Get the job – **Get flu safe** NHS
