The weekly news from Chapel St Leonards Primary School

Issue 108

Circulation: 149

Date: Friday 21st May 2021

Dear Parents/Carers,

We provide regular reminders and updates in our newsletter and we teach the children as part of our Personal Development curriculum all about how to stay safe online. Children are always supervised when using technology in school, we have a robust filtering system in place and we always remind children what to do if they come across something they feel uncomfortable about. I would urge parents and carers to ensure their child is supervised appropriately when using technology and also to ensure you know the age ratings for apps. I know peer pressure can be tricky to combat but the age ratings are there to keep the children safe. Thank you for your support.

COVID-19 Notification

If you need to inform the school of any COVID-19 related issues out of school hours please use the school COVID email address: Covid19@chapel-cit.co.uk to keep us updated.

Staff, children, parents and carers should follow contact tracing instructions provided by NHS Test and Trace. Thank you.

School Uniform

We are proud of our school uniform and the sense of belonging it brings. We understand from time to time items may go lost or be missing but we do like the children to come each day in their uniform. This helps children not feel left out or different.

Our school uniform is available to order online from Nationwide School Uniforms.

You can also buy non branded t-shirts, jumpers and cardigans in our school colours, at reasonable prices, at most supermarkets too.

Visit their website and select our school:
