The weekly news from Chapel St Leonards Primary School

Issue 103

Circulation: 146

Date: Thursday 1st April

Dear Parents/Carers,

We started this week with our school assembly when we discussed World Autism Awareness Week and what this meant. This was a great opportunity to celebrate how different we all are and how this should be something we are proud of. The children have designed their own character called a 'Trummy' all of them special and unique just like all of the children in school.

Today sees the end of term and the start of the two week Easter holidays. I hope that you are able to spend some time with your families, within the current restrictions, over the Easter period. When we consider the challenges we have all faced since our return to school following Christmas (which seems a long time ago) it is a well deserved break. I would like to express my thanks once again to all of the staff and children for their hard work. Let's hope that the weather stays fine for us! Happy holidays!

COVID-19 Notification

If you need to inform the school of any COVID-19 related issues out of school hours please use the school COVID email address: Covid19@chapel-cit.co.uk to keep us updated.

During the holidays if a child tests positive more than 2 days since we closed you will only need to inform us if your child will still be self-isolating when we return after Easter.

Staff, students, parents and carers should follow contact tracing instructions provided by NHS Test and Trace. Thank you.
