Dear Parents/Carers,

There has been lots going on yet again this week in school and it is fantastic to see the children when they are engaged in their learning. Watching some of the children's progress in phonics this week was an absolute pleasure.

It has been a very 'sporty' week here at Chapel St Leonards. I had the pleasure of taking the Year 3 and 4 tennis team to Spilsby on Tuesday afternoon to compete in the 'Mini Reds' tennis competition. The children improved tremendously throughout the afternoon and finished in joint second place in their group. A great achievement!

Mr Shaw and Mrs Lyall took a group of children out to the Athletics competition on Thursday. The children competed in a range of events and again represented the school in the spirit that we would expect.

Have a good weekend and 'Come on England!'

Packed Lunches

It is vital that the children have a healthy and balanced diet. In order for the children to concentrate well and have the energy they need to get through the school day a healthy, filling and wholesome lunch is really important. Each week we will give you some top tips to help you provide a lunch for your children if they have a packed lunch. We'll put them at the bottom of the newsletter so you can tear them off to keep as a reminder. If your child shows us one of the ideas in their lunchbox they will get a special lunch time sticker!

Packed Lunches - TOP TIPS

Always add salad to sandwiches – it all counts towards your child's 5 A DAY!

Try chopped apple, peeled satsuma segments, strawberries, blueberries, halved grapes or melon slices to make it easier for them to eat. Add a squeeze of lemon juice to stop it from going brown.
