Dear Parents/Carers,

Our big event this week was Sports Day which was held on Wednesday. It was fantastic to see so many parents and carers attending and encouraging their children. Thank you for all of your kind comments about the organisation of the day. I was really proud of all of the children they all 'had a go'. A particular thanks must go to all of the staff who supported the morning and afternoon activities and gave encouragement to the children.

On Sunday we took a group of children to the School Games held at the Meres Stadium in Grantham. This is a county wide event celebrating sport and competition from across Lincolnshire. The children competed in the right spirit and behaved impeccably.

Our Year 1 children also did the school proud with excellent behaviour on their visit to the Strawberry Fields this week. On Thursday it was great to see the progress the Year 2 children have made in their writing. There were some super diary entries in the role of George from George's Marvellous Medicine.

Unfortunately I have no need to end the newsletter in my now customary encouragement for the England football team—let's hope the game tomorrow is exciting and it's not as long before our next semi final.

RAF Rocketeers

On Tuesday Year 6 had a visit from the RAF Rocketeers. They designed and then tested their own rockets! The children really enjoyed the experience. Our thanks must go to the RAF personnel for their support and encouragement.

Summer Journals

Next week in school each of the children will be given a summer journal. This is an exercise book that they will start to work in next week and then will be able to bring home for the summer holidays. If they have some spare time they could do some drawing or some writing in their book. They could tell us about their holidays or interests. It is not compulsory and the whole book does not have to be completed. I am sure the children's teachers in September would love to see the work the children have produced. There will be some rewards for the best efforts. As always we love it when adults at home get involved and support.
