Dear Parents/Carers,

Each day the children in our school do things that make the adults in school proud of them. Their work, effort, good manners, kindness and their behaviour are all things that make us proud. This week there can be no doubt that the Year 6 children have not just done our school proud but also themselves and their families proud with their efforts during SATs week. They have undertaken their tests with a great deal of determination and should be rightly proud of their efforts— they have tried their best and that is all that we have ever asked of them. Well done Year 6!

I have some exciting news to share with you. I am pleased to be able to tell you Miss Fordham is expecting her second child. She will be working in school until her maternity leave starts in October. We wish Miss Fordham all the very best with her pregnancy.

Today there has been a buzz of excitement around the school as the children have completed work all about the Royal Wedding ready for the celebrations tomorrow. Have a look overleaf to see some of the exciting things the children have been doing.

School Dinners

Some parents are not sending their child with a packed lunch or choosing them a school meal. We cannot provide a meal for your child if you have not booked a meal for them. We are lucky to have a kitchen on site that cooks the number of meals ordered each day. The deadline for booking a meal is Friday, for the following week. **If a meal has not been booked and your child has not been sent with a packed lunch we are NOT able to provide a lunch for your child.** We will ask you to bring your child's lunch in to school.
